Subject: Habitat for Humanity project

Dear Mr. Schaeppi,

I've become aware of the Habitat Humanity project, partnering with The Mills Church. I say YES! Habitat is such a responsible and impactful organization and offers hope and dignity to families in need. I desire this kind of housing to be available in Minnetonka and consider it a loving and responsible way for The Mills to use their land.

Thank you,
Karin Kaihoi

Dear Mr. Schaeppi,

I am in full support of HFH project on The Mills Church property.

Sincerely, Dean Kaihoi, m.d.
