

**Adopt A Park  
Adopt A Trail**

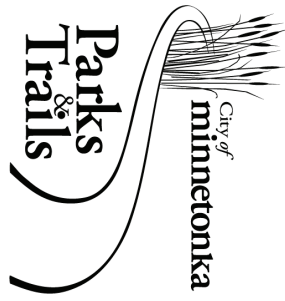

## It's as easy as 1-2-3!

1. Contact the Parks and Trails Division at (952) 988-8400 with your request.
2. Receive, sign and return a volunteer agreement.
3. Once approved, staff will contact you to begin work on your adopted site.

## Who can adopt?

We welcome neighborhood associations, schools, community groups, religious groups, seniors, businesses, youth groups and individuals to join our efforts to clean up Minnetonka's parks and trails.

Adopting a park or trail is a great way to demonstrate civic pride while making positive changes in the community.

**TAKE MORE  
THAN JUST  
A WALK IN  
THE PARK**

## SHOW YOUR NEIGHBORHOOD PRIDE

### What's involved in adopting a park or trail?

We ask for a commitment to clean the adopted area annually, then monitor the site throughout the year. Groups are asked to report any maintenance repair needs at the adopted site, especially dangerous or unsafe conditions, vandalism and graffiti. The Parks and Trails Division will provide litter bags and, after your clean-up event, remove all of the collected waste.

### To show our appreciation...

In recognition of your efforts, we will provide an adoption certificate and sign(s) with your group's name to be placed at your adopted park or trail area.

The Adopt-A-Park and Adopt-A-Trail program welcomes groups or individuals interested in participating in any of its volunteer projects on a part-time or one-time basis.

- I am interested in adopting a park or trail area
- Please place me on your mailing list for upcoming city-wide cleanups and events
