Minnetonka City Council Meeting
Meeting of June 13, 2022**

ITEM 10A – Conditional use permit for an accessory dwelling unit at 13426 Excelsior Blvd

The agenda and staff report header incorrectly list 14326 Excelsior Blvd. This is a typo – it should read 13426 Excelsior Blvd.

ITEM 10B -- Resolution approving a preliminary plat for a two-lot subdivision at 2326 Oakland Road

A neighboring property owner submitted the following comment.

I really appreciate that the planning commission, in its recommendation, requires the developer to meet with me about city sewer and water-before required permits are applied for. My top concern is sewer and water and , in addition, losing as few trees as possible. If a city street is the best way to accomplish those two interests, then I support it.
