

Transit and Commuter Services

Minnetonka is served by Metro Transit which connects the city to the rest of the metro through local and express bus service. See a list of routes that serve the city and plan your next trip at metrotransit.org.

Park and Ride Lots

There are two Metro Transit park and ride lots in Minnetonka. Park for free in a lot and access express bus routes to downtown Minneapolis, the University of Minnesota and other destinations.

Park and ride lots are located at:

- 1 I-394 and Plymouth Road
- 2 I-394 and Hopkins Crossroad

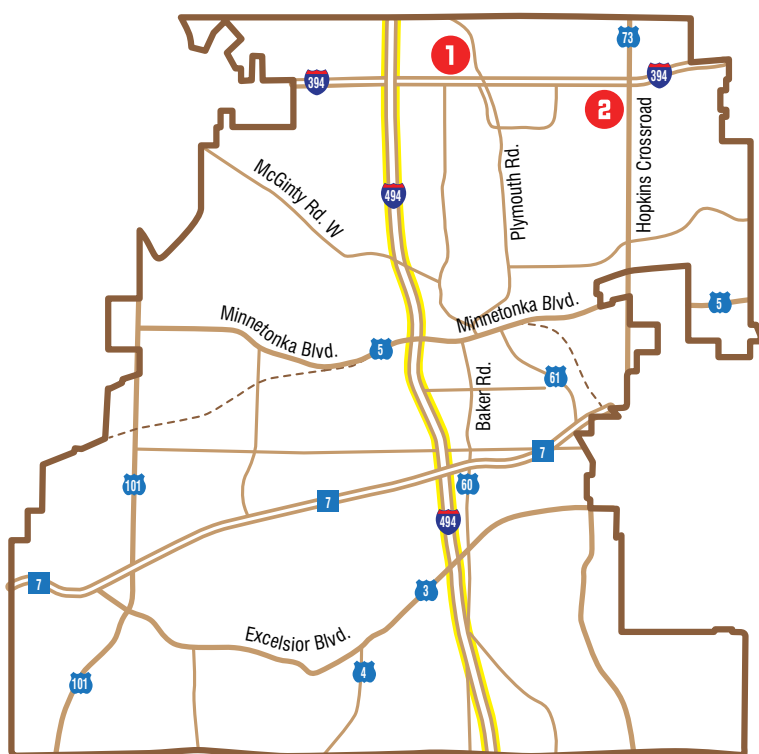

Commuter Services

Employer resources to help employees with their commute

Commuter Services works with employers to provide guidance on how to set up commuter programs and incentives to promote sustainable transportation options, such as carpool or vanpool, bike commuting or walking, bus and light rail transit and telework.

Carpool ride matching and tips, personalized transit itineraries, bike maps, commuting guides and telework materials are available. All commuter resources are available at no cost.

For more information or to request free resources, visit 494corridor.org.

Telework Services

Organizations that utilize telework or hybrid work solutions will find multiple free resources for employers, managers and teleworkers on the Twin Cities Telework network website, tctelework.com.

Southwest Light Rail (SWLRT)

The METRO Green Line Extension project will bring light rail to the southwest metro. SWLRT is projected to open in 2027. To sign up for updates, visit SWLRT.org.
