Dear Council Members,

**I am writing to voice my concerns over the 2023 proposed budget!**

**I believe the budget is too high and the city needs to realize the economy we are in and control our cities budget.**

**Why such a large increase in the Housing Trust Fund? Are we really going to participate in the LRT boondoggle? These are a few concerns I have. Please reduce this budget.**

**Sincerely,  
Laura Ludvigson

MTKA CITY MAYOR AND COUNCIL,

As a very concerned senior citizen, I am writing to tell the council that the proposed budget is TOO HIGH and like every one of us, the city needs to realize the economy we are in and CONTROL OUR CITY'S SPENDING.
