Utility Operations Engineer  
952-988-8410  
[mkuno@minnetonkamn.gov](mailto:mkuno@minnetonkamn.gov)

### City of Minnetonka Engineering Department

14600 Minnetonka Blvd.  
Minnetonka, MN 55345  
952-939-8206  
[engineering@minnetonkamn.gov](mailto:engineering@minnetonkamn.gov)

The Carlson & Cheshire Parkway Improvements Project includes watermain rehabilitation, street improvements, and traffic signal improvements on Carlson Parkway, Cheshire Parkway, and Cheshire Lane. **See reverse side for map of the project area.**

## TRAFFIC IMPACTS

During construction, there will be additional traffic control on Carlson Parkway, Cheshire Parkway, and Cheshire Lane, which will require temporary periods of lane shifts, flagging, and detours. Residential and business access will be maintained.

Please follow construction signs, watch for traffic pattern changes and drive carefully through construction areas.

## PROJECT SCHEDULE

Construction will occur in multiple phases and is expected to begin in **April** and be completed in **October**.

Detailed information regarding construction phases and schedule updates will be communicated via the project website and email/text updates. Please subscribe for updates to stay informed. Schedules are weather-dependent and subject to change.

## WILL I BE ASSESSED?

No. The City of Minnetonka does not specially assess for these improvements. They are funded through the city's street and utility funds.

## MORE INFORMATION

- Visit [minnetonkamn.gov/carlson-cheshire](http://minnetonkamn.gov/carlson-cheshire) for more information and to subscribe to receive construction updates via email/text.
- Text "**MTKA CARLSON-CHESHIRE**" to 468-311 to subscribe to text updates.
- Contact our staff to learn more or ask questions.
- Regular construction updates will be posted on the project website.

Thank you for your patience as we work to make these necessary improvements to the neighborhood.
