
CITY OF MINNETONKA

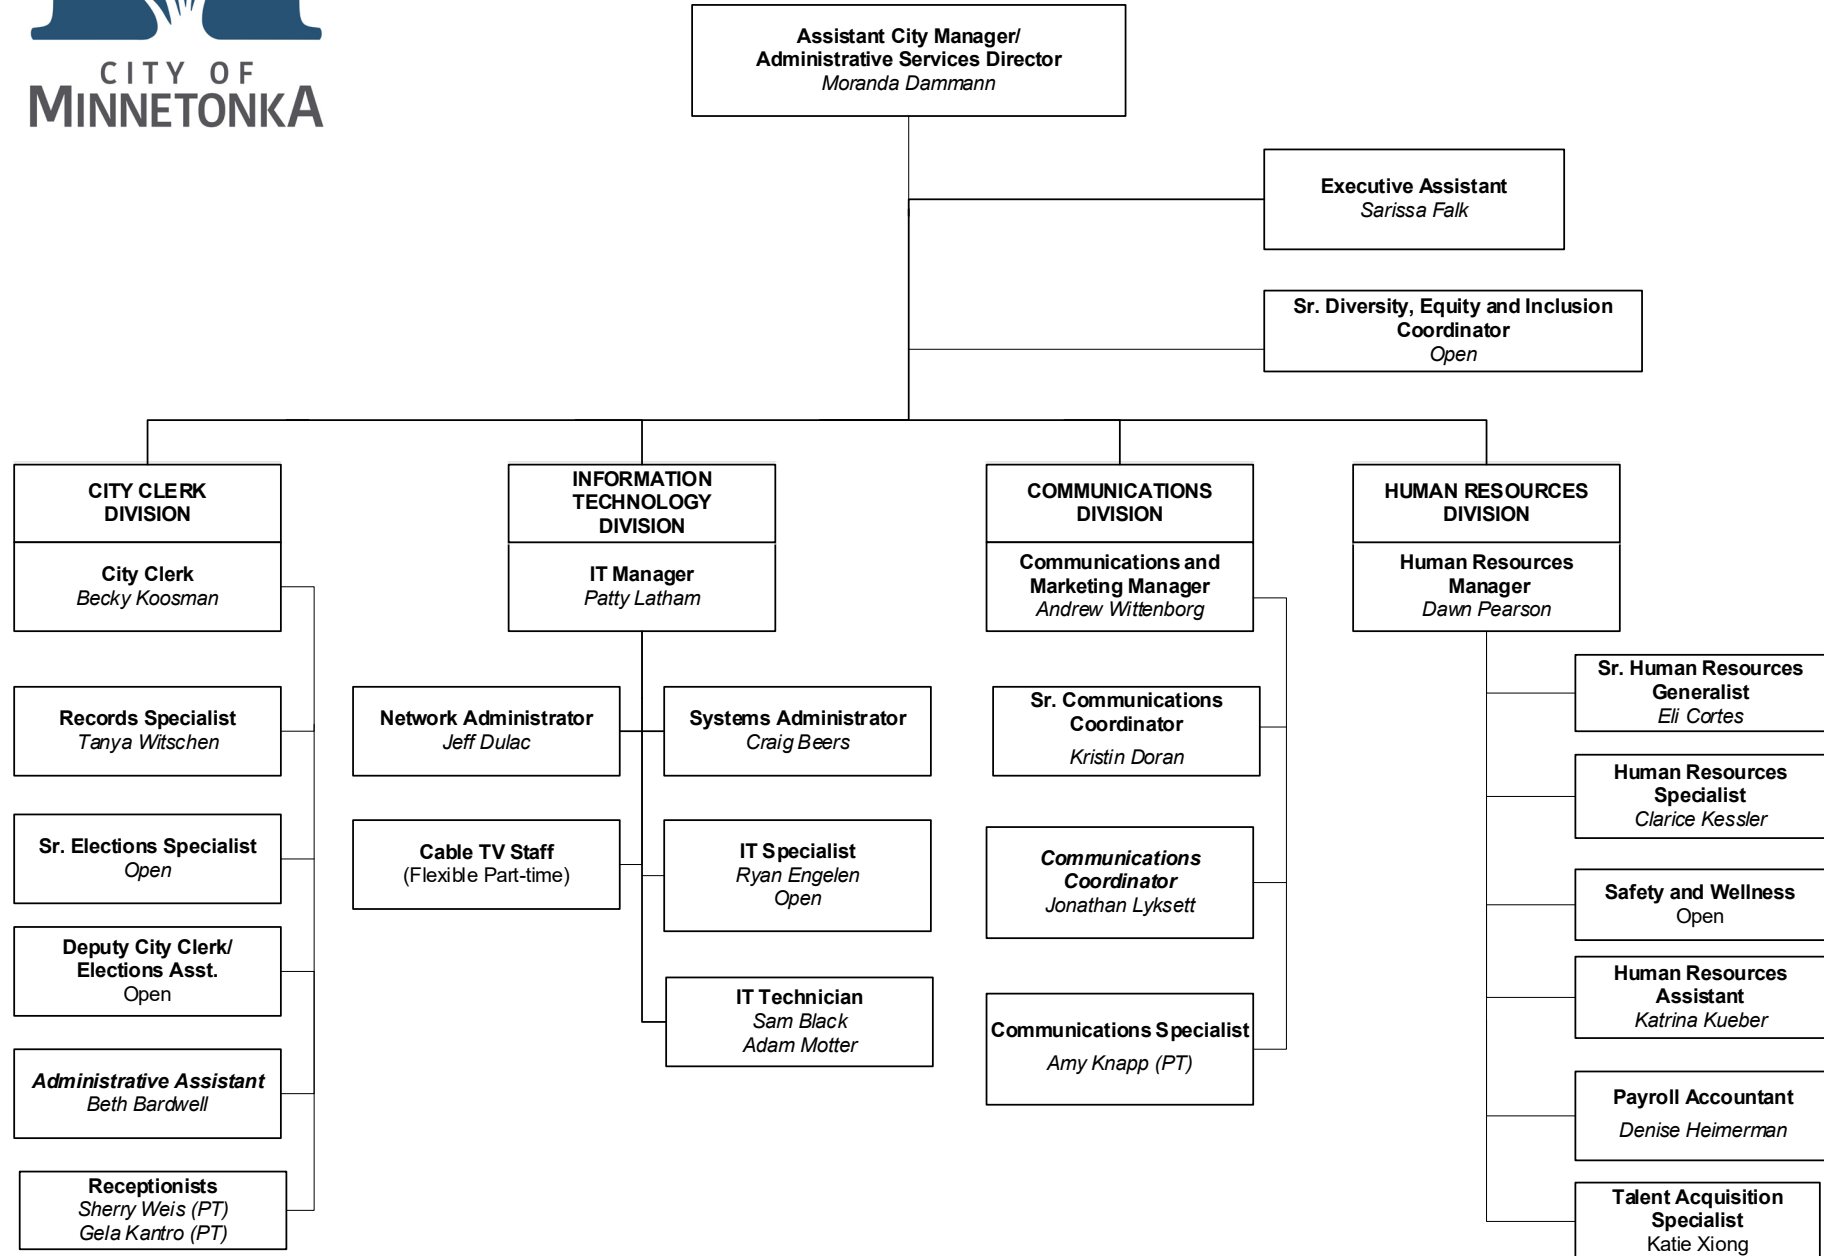

2024 BUDGET PREPARATION: DEPARTMENT UPDATES

DEPARTMENT: ADMINISTRATION

Administration

2022 DEPARTMENT HIGHLIGHTS

- The continued success of Minnetonka Matters and use of community engagement tools and the growth of social media and community engagement
- Completion of redistricting
- Launch of updated employee intranet including security measures to access remotely
- Evaluated and secured ERP and utility billing software
- Implemented new password length requirements
- Added Juneteenth as a paid holiday
- Facilitated the ongoing efforts of the Internal Employee Diversity Committee, and continued external relationship building
- Converted all paper personnel files to digital

CHALLENGES

- Rising costs:
 - Print and postage
 - Health care
 - Technology
 - General cost of elections
- Project and technology delivery delays
- Growth of social media commentary directed at city which must be monitored and curated more frequently
- Prioritizing daily customer needs and new innovations
- Technology access, delivery and security
- Staff turn-over
- Increase in data practice requests

2024 GOALS & NEW INNOVATIONS

- Talent management attract and development
- Employee experience
- Focus on wellness and safety
- Partner with Finance to further implementation of enterprise resource planning software
- Minnetonka Branding
- Successfully execute 3 state/federal elections
- Access to city records and continued records management initiatives
- Focus efforts of the Internal Employee Diversity Committee, and continue external DEI initiatives
- Support The Marsh
- Technology security and enhancements
- Employer of choice

CITY OF MINNETONKA 2023 BUDGET PREPARATION: DEPARTMENT UPDATES

DEPARTMENT: POLICE

ORGANIZATIONAL CHART

OVERVIEW – WHAT WE DO

Professional Standards Division

- Oversees the professional conduct of our employees
- Investigates complaints or allegations of misconduct involving police employees
- Manages the recruitment and hiring of police employees including pre-employment background checks
- Administers the training of police employees
- In charge of policy development and Implementation
- Assures POST Board, BCA and other compliance requirements are met

OVERVIEW – WHAT WE DO

Patrol Division

The Patrol Division is the uniformed staff who provide law enforcement services to our community 24 hours a day, seven days a week. Officers patrol the city and respond to a variety of calls.

- 31 police officers
- 9 patrol sergeants
- 2 full-time/4 part-time Community Service Officers/ Cadets
- 2 K-9 officers
- Specialty: Traffic Unit, Bike Patrol, Drug Recognition Expert

OVERVIEW – WHAT WE DO

Investigative and Support Services Division

There are two main components of the Investigative and Support Services Division:

- ❖ The investigative division is staffed by detectives who provide follow-up investigations to all types of criminal incidents. Detectives investigate and prepare cases for charging by the Minnetonka City Attorney or the Hennepin County Attorney's Office.
- ❖ The records division serves as a primary point of contact and connect the public with police staff. The unit manages case reports, permits to purchase fire arms, criminal histories, public data requests and fingerprinting.

Investigations:

- 2 sergeants
- General case detectives(4), retail crime detectives(2), school resource officers(2), Southwest Hennepin Drug Task Force(1), Electronic Crimes Work Group(1), crime and data analyst(2), property and evidence Technician(1)

Records:

- 1 supervisor
- 2 specialists

2022 DEPARTMENT HIGHLIGHTS

- Community engagement
- Directed patrol program
- Demographic collection
- Cadet program
- Lexipol policy transition
- Community involvement in hiring

CHALLENGES

- Recruitment & Retention-especially of diverse candidates
- Increased technology costs
- Community Trust/Media Misinformation
- Increase in crime-specifically property crime
- Increase in Mental Health Calls
- Lack of facilities for Mental Health & Drug/Alcohol Treatment and Detox
- Population Growth (*Specifically in Opus (due to light rail) and Ridgedale area's*)
- Lack of facilities to house and rehabilitate repeat juvenile offenders
 - *Homeschool and Totem Town closed, mental health treatment facilities full, JDC only takes violent offenders*
- Recidivism rate of offenders-accounts for a significant amount of the crime

2023 GOALS & NEW INNOVATIONS

- Transparency dashboard expansion
 - Arrest
 - Use of Force
 - Officer misconduct
- Homelessness response
- *Safe 7 Summer* traffic safety initiative
- Public safety master plan implementation

Questions?

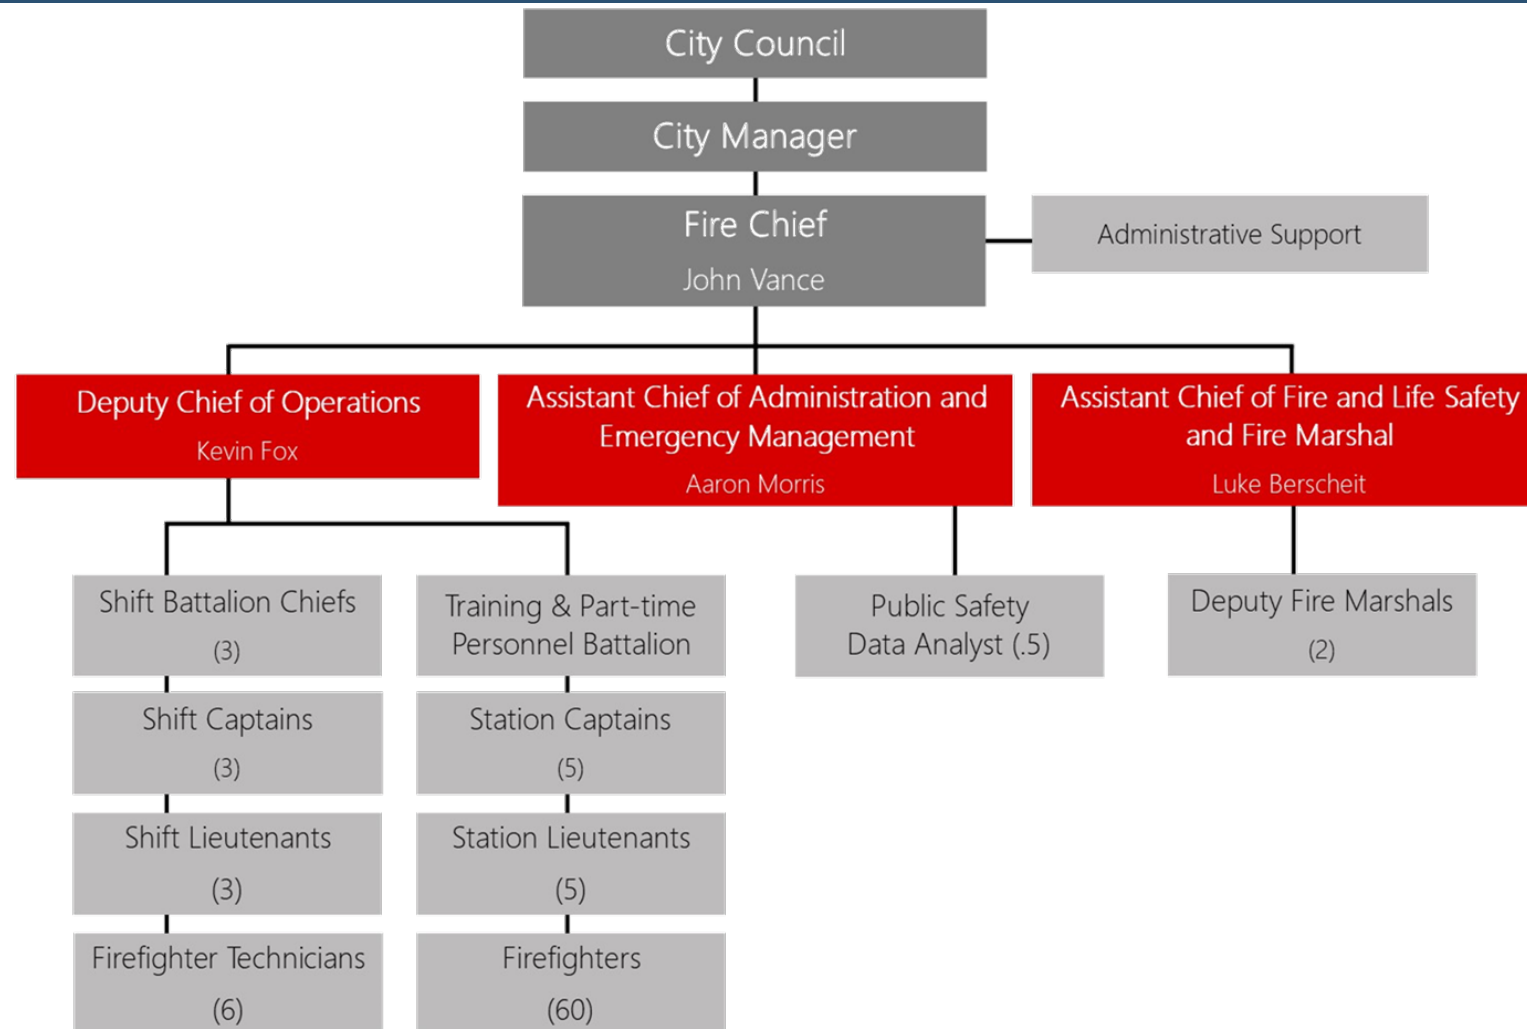

CITY OF MINNETONKA 2024 BUDGET PREPARATION: DEPARTMENT UPDATES

DEPARTMENT: FIRE

11,941 total 2022 attendees

287 public education events & tours

101 Quality of Life follow-ups

166 private fire hydrant reports received

TRAINING AND HIRING

nine new full-time firefighters

one retirement

nine resignations

875 hours of training with Blue Card

15,128 hours of training

2,315 hours of training in EMS

4,850 hours of fire and fire equipment training

61 sworn firefighters

2022 DEPARTMENT HIGHLIGHTS

- Staffing Station 3 24/7
- 9 additional full time staff
- Improved response times and capability
- Continued community outreach
- Revised command staff structure
- 4 sprinkler saves: Public Storage, Brier Creek Apartments, Jimmy's Food and Cocktails, and Shady Oak Crossing Apartments.

CHALLENGES

- Increased call volume
- Staffing
- Aging fleet, inflation and lead time for builds
- Fire Station infrastructure
- EMS crisis
- Funding

2023 GOALS & NEW INNOVATIONS

- Implementation of consultant recommendations
- The future of EMS
- Continued outreach
- Refined equipment replacement program
- Council adopt Standard of Cover
- EOC exercise

QUESTIONS?

COMPREHENSIVE OPERATIONS AND STAFFING ASSESSMENT

COUNCIL PRESENTATION

CITY OF MINNETONKA, MN

PRESENTED ON APRIL 24, 2023

Process

- Submitted detailed document and data request
- Developed, delivered, and analyzed a Strengths, Weaknesses, Opportunities, and Threats (SWOT) survey to every employee
- Reviewed data and survey material
- Conducted interviews with Department staff
- Worked with City and Department staff for clarification and understanding
- Conducted a workload analysis by division
- Conducted a community satisfaction survey
- Held virtual community engagement listening session

Police Services Delivery: A Policy Choice

- No mandatory federal or state regulations directing police staffing levels, response times, or outcomes
- Best practices offered by experience, IACP, CALEA, MN POST, PERF, NPI, etc.
- Police executives are challenged to identify the application of best practices in collaboration with elected officials and the communities they serve
- Elected officials are challenged to balance public safety and fiscal responsibility
- Increasingly, data-driven, evidence-based decisions are best practice

Citygate's Impression of MPD

- Police Department displayed high level of professionalism at all levels
- Department members extremely dedicated to the community
- While no organization is perfect, the Minnetonka Police Department is well positioned to deepen its ability to provide proactive policing

Benchmark Analysis – Staffing

Agency	Population	Sworn	Residents per Officer	Officers per 1,000 Residents	Violent Crime Rate (10k)	Violent Crime 2021
St. Louis Park	50,144	60	835.7	1.20	17.95	90
Eden Prairie	64,142	72	890.9	1.12	6.55	42
Edina	53,572	58	923.7	1.08	6.91	37
Minnetonka	54,704	58	943.2	1.06	8.04	44
Plymouth	81,184	81	1002.3	1.00	5.67	46

Benchmark Analysis – Rank Structure

Agency	Population	Sworn	Command*	Sergeant	Officers	Patrol
Plymouth	81,184	81	6%	16%	77.8%	53%
Eden Prairie	64,142	72	7%	17%	76.4%	64%
Minnetonka	54,704	58	7%	19%	74.1%	64%
Edina	53,572	58	9%	14%	77.6%	69%
St. Louis Park	50,144	60	8%	15%	76.7%	63%

* “Command” means sworn managers above first line supervisors including Lieutenant, Captain, Deputy Chief, and Chief positions; “Sergeant” refers to Sergeants or first line supervisors; “Officers” refers to all line-level sworn officers; and “Patrol” refers to officers and Sergeants assigned to the Patrol function

Benchmark Analysis – Policing Costs

Agency	CY 21 Population	CY 22 City Budget General Fund	CY 22 Police Budget General Fund	CY 22 Police Budget % of General Fund	CY 22 Police Budget per Capita – General Fund**
Eden Prairie	64,142	\$52,664,390	\$17,388,375	33.02%	\$271
Edina	53,572	\$52,231,751	\$14,175,815	27.14%	\$265
St. Louis Park	50,144	\$44,312,567	\$11,846,760	26.73%	\$236
Minnetonka*	54,704	\$49,815,000	\$11,882,050	23.85%	\$217
Plymouth	81,184	\$46,955,697	\$16,716,084	35.60%	\$206

* Operational budget only; does not include Capital Improvement Plan (CIP) funding

** Assumes CY 21 population

Workload Analysis: Calls For Service

Patrol Workload Analysis

PEAK TIMES

Finding: While this slide simulates added resources over an entire 24-hour work cycle, it demonstrates a significant reduction in utilization saturation during peak utilization hours between 0900 hours and 2100 hours with “Power Shift”

Traffic Impact

TRAFFIC COLLISIONS AND ENFORCEMENT

Community Survey

- A Community Satisfaction survey launched on December 21, 2022, and closed January 20, 2023; the survey received a total of 356 responses
- The survey was developed using a survey created by the US DOJ Community-Oriented Policing Services and assessed five key areas of police-community relations including:
 - Community Involvement
 - Safety
 - Procedural Justice
 - Performance
 - Contact and Satisfaction

Community Survey (cont.)

- Top community concerns included auto theft, residential burglaries and traffic-related problems
- In the area of procedural justice, 71 percent of respondents said the Department treats people fairly “to a great extent” or “a lot” compared to less than 2 percent who said “a little” or “not at all”
- Most respondents (80 percent) had no contact with the Department in the previous 12 months

Community Listening Session

Date/Time/Location

Citygate facilitated an online Community Engagement Session on Wednesday, February 8, from 6:00 pm to 7:30 pm utilizing the Zoom videoconferencing platform

Format

- Discussion was facilitated by Citygate consultants with the Professional Standards Captain in attendance for technical questions
- A total of 38 participants registered in advance of the event
- An email address was set up for Citygate to receive additional input from community members who were unable to attend

Email responses, along with the content of the facilitated discussion, were considered during the preparation of Citygate's report

Findings and Recommendations

A total of **60 key findings** and **47 specific action item recommendations** that include recommended funding priorities

- **Organizational Structure** – 4 recommendations
- **Patrol Division** – 20 recommendations including 9 FTEs
- **Investigations Division** – 21 recommendations including 4.5 FTEs
- **Professional Standards Division** – 2 recommendations including 1 FTE

Findings and Recommendations (cont.)

Organizational Review (includes Administration)

- 7 key findings and 4 specific action item recommendation
- No additional FTE

“Plan for the impact of increased traffic in the Opus Park area of people traveling to and living in proximity to the Southwest Light Rail transit corridor.” [Recommendation #2]

Findings and Recommendations (cont.)

Patrol Services Division

- 21 key findings and 20 specific action item recommendations
- 9 additional FTEs
 - Add 4 Police Officers to Patrol (Power Shift)
 - Add 2 Traffic Officers to Patrol
 - Add 2 Mental Health Officers
 - Add 1 Community Engagement Officer

“Re-implement a Power Shift with two Patrol Officers per shift to respond to increased utilization during peak hours of the day (four total FTE police officer positions).” [Recommendation #10]

Findings and Recommendations (cont.)

Investigative/Support Services Division

- 16 key findings and 19 specific action item recommendations
- 4.5 additional FTEs
 - Add 1 Police Officer (Detective)
 - Add 2 Police Officer (Retail Crime Detective)
 - Add 1 Crime Analyst
 - Add .5 Property Room Specialist

“Add two Retail Crime Detectives, creating a four-person team with rotating responsibilities...” [Recommendation #33]

Findings and Recommendations (cont.)

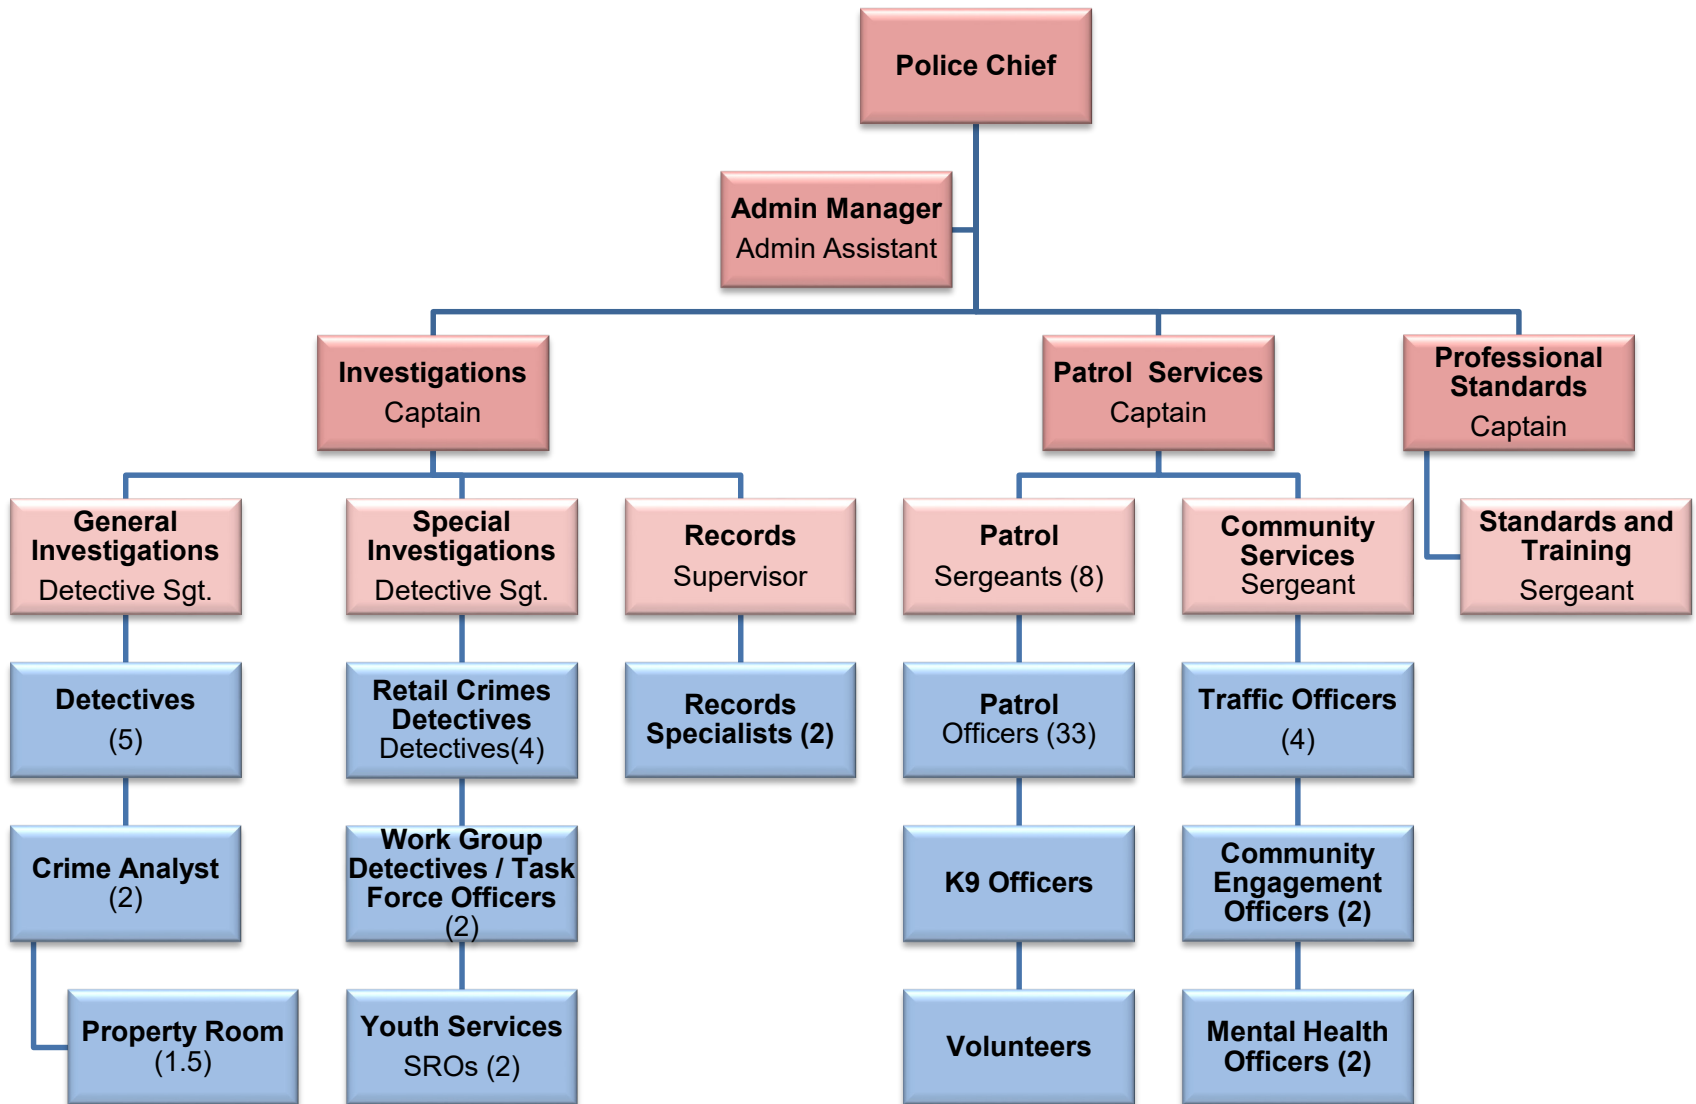

Professional Standards Division

- 4 key findings and 2 specific action item recommendations
- 1 additional FTE
 - Add 1 Police Sergeant (Standards and Training)

“Move the training function to a new Sergeant of Standards and Training; this position can report to the Captain of Professional Standards and address the new complexities of Minnesota POST requirements.”

[Recommendation #45]

Proposed Organizational Chart

Questions and Discussion

STANDARDS OF COVER AND PHYSICAL ASSET STUDY

CITY COUNCIL PRESENTATION

CITY OF MINNETONKA, MN

April 24, 2023

How Study was Conducted

- Review of relevant City and Department **data and documentation**
- Stakeholder **listening interviews**
- Comprehensive incident data **statistical analysis**
 - Service demand / response performance
- GIS **service demand / travel time analysis**
 - 18 service-area-wide maps
- **Paid-on-Call** Firefighter Program review

Policy Choices

- No federal or state laws or regulations in the U.S. mandating fire service **staffing levels, response performance, or outcomes**
 - If fire services are provided, state and federal safety regulations apply
- The level of fire service provided is a **local policy decision**
 - Communities have the level of service they can **afford** or which they **choose to fund**
 - May not be the desired level of service

Outcome Goals Drive Deployment

- Fire service deployment goal is to deliver desired **outcomes**
- Typical **urban** community desired outcomes:
 - Prevent death and/or permanent impairment from medical emergencies where possible
 - Confine building fires to the **room or compartment of origin**
- Typical **rural** community desired outcomes:
 - Prevent death from medical emergencies where possible
 - Confine building fires to the **building of origin**
- Delivering desired outcomes depends on **adequate staffing, apparatus types, and response time**

Deployment Strategies

- Fire service deployment is essentially about the **speed** and **weight** of response
 - **Speed** refers to the single neighborhood-based first responders to mitigate routine-to-moderate emergencies for the outcome desired
 - **Weight** refers to the multiple-unit response (ERF/First Alarm) needed to control serious emergencies for the outcome desired
- In multi-station size city, how to balance response equity to all similar neighborhoods

Minnetonka Challenges

- Dedicated response time coverage from two stations
- City large enough to need/use five stations
- Limited 24-hour career and POC staffing
- Light immediate response from POC personnel
- Physical limitations of fire stations
- Need to adopt response time goals
- Need adequate coverage for EMS first responder needs

Risk Assessment

Risk Assessment Methodology

- Establish geographic **planning sub-zones**
- Identify/quantify **values at risk** to be protected
- Identify **hazards** likely to impact service area
- Determine **probability** of a hazard occurrence
- Identify likely **impact severity** of a hazard occurrence
- Determine **overall risk** by hazard and planning zone

Hazards Evaluated

1. Building Fire
2. Vegetation/Wildfire
3. Medical Emergency
4. Hazardous Material Release/Spill
5. Technical Rescue
6. Marine Incident

MINNETONKA FIRE DEPARTMENT MAP #2A - POPULATION DENSITY

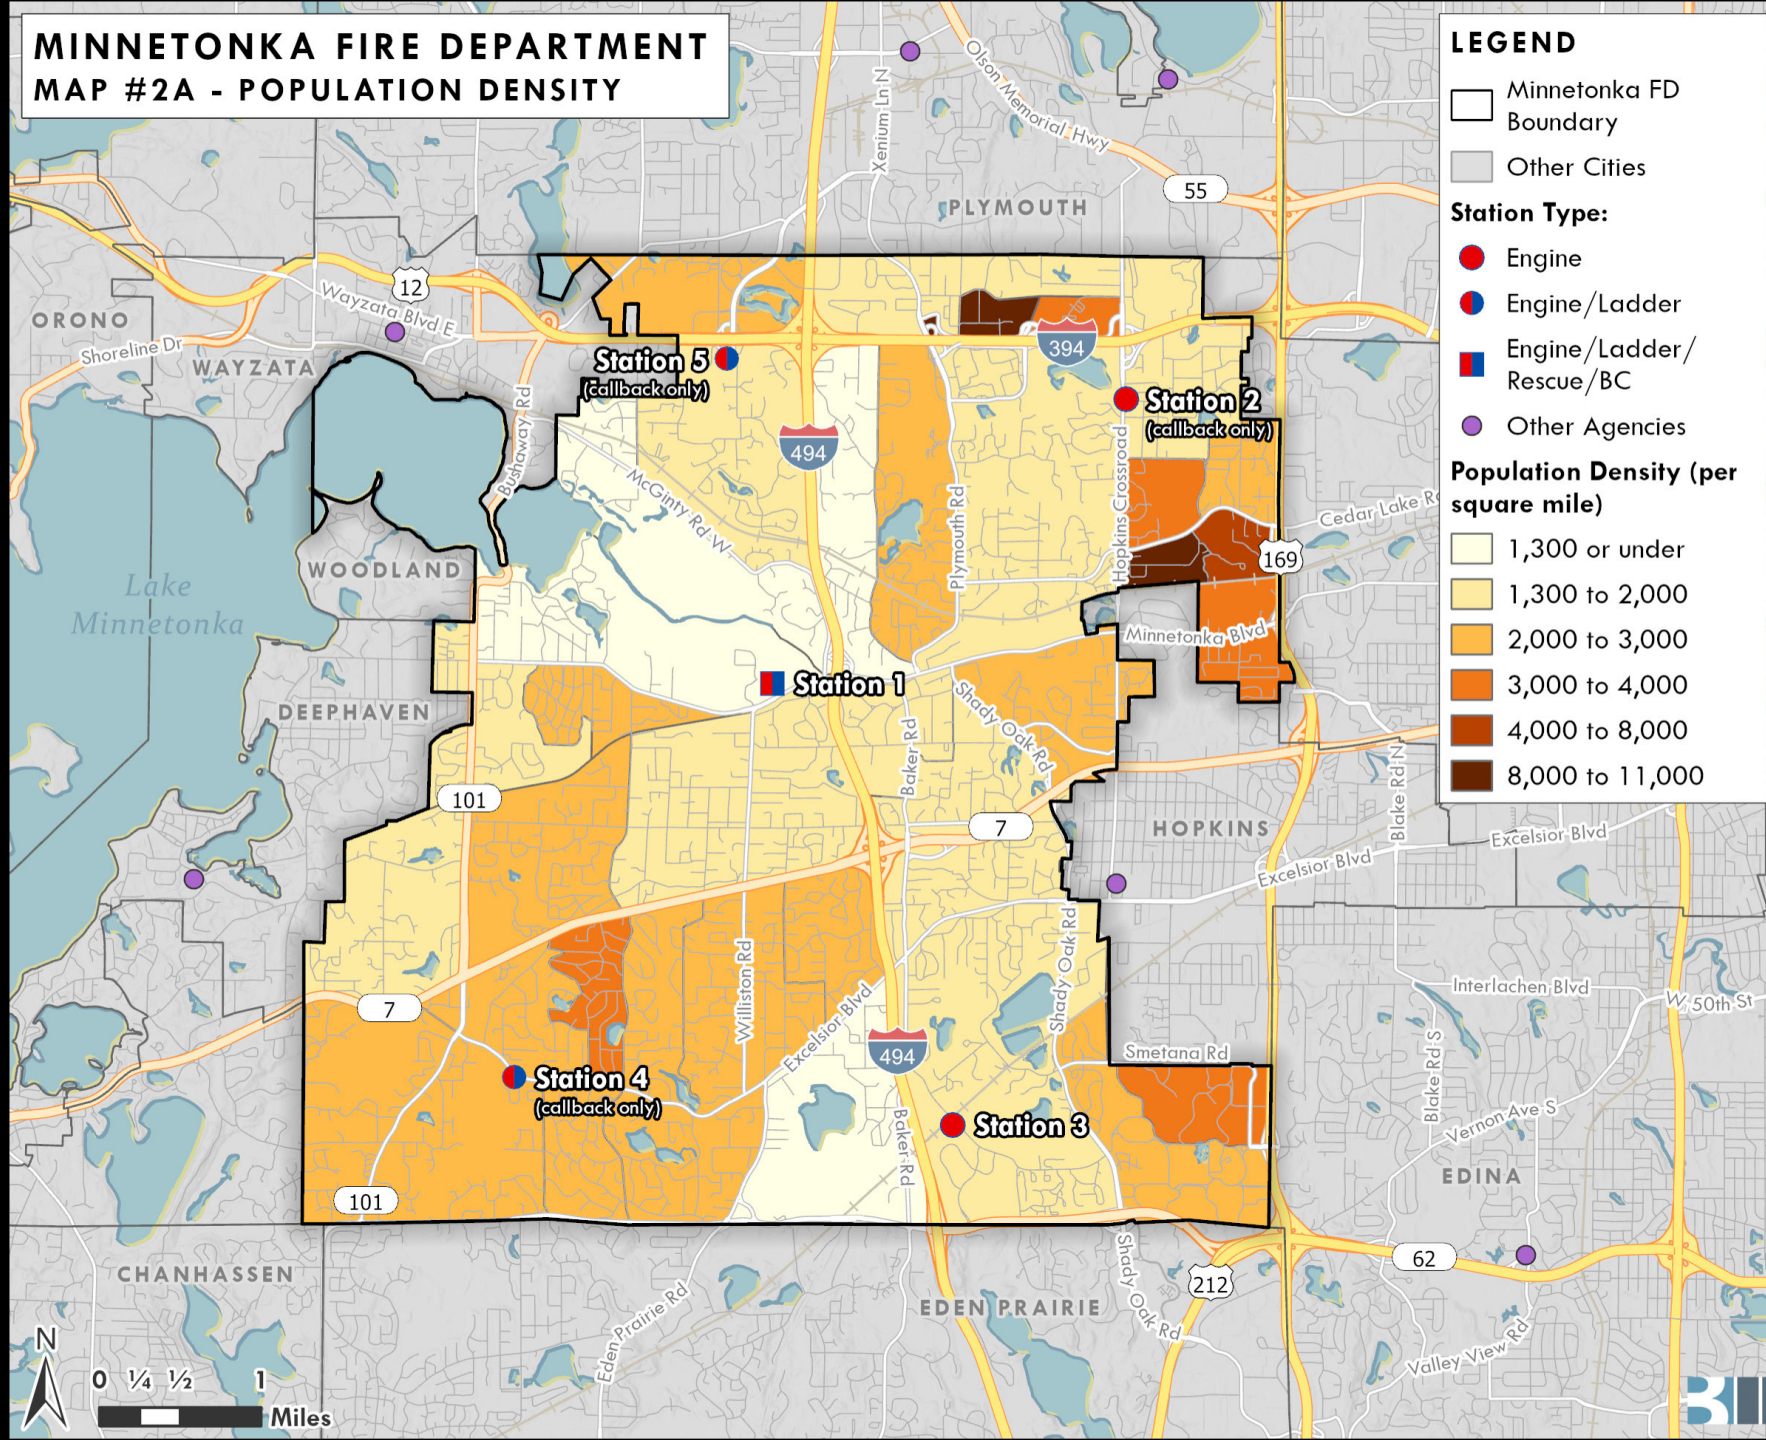

28 sq. miles

55,000
residents

25,500
dwelling
units

3,000
businesses

34 critical
facilities

Growth Projections

- All types of new dwelling units (DU) by 2025 = **6,099**
- At a ratio of 2.5 persons per DU = **15,247** new residents
- **186 units** for seniors in the development pipeline
- The Opus Park area is “poised to accommodate a large share of the City’s future development;” it will attract high-density housing of low- to mid-rise building plus townhomes

Risk Analysis

Hazard	Planning Zone				
	Station 1	Station 2	Station 3	Station 4	Station 5

POC Program Review

81 POC personnel provide high value to the Department and City

- Daily duty crew staffing
- ERF incident staffing
 - 95 ERF incidents in 2021
 - Average response is 33.8 POC personnel
 - However, in 2022, it took **12:26 minutes to get 10 POC personnel on-scene; 18:56 minutes to get 15 POC personnel on-scene**
- Ongoing recruitment/retention challenges
 - Turnover since 2015 is 46 percent
 - 52 percent of current POC personnel have less than three years on the job
 - Most common reason for leaving is to be a career firefighter

POC Response Time – Early Minutes – 2021

Fire Station Assessment

Station 2

- Oldest station facility (46 years)
- Cannot accommodate 24-hour staffing
- Cannot accommodate additional or larger apparatus
- Parcel can accommodate larger facility

Station 3

- 34-year-old facility in good location, but very poor condition and small parcel

Station 4

- 34 years old
- Cannot accommodate 24-hour staffing
- Two drive-through apparatus bays
- Could be upgraded at current site to meet future needs

Deployment Recommendations

- **Three 24-hour duty crews (9 personnel)** supported by at least **7 available POC personnel from home/work** is the current **minimum recommended service level** given the City's risks and large area
- Consider deploying the Station 1 Rescue from Station 2 during daylight hours to add service from a third site in the *northern* area of the City
- Identify enhanced POC *part-time* staffing support and/or career staffing to staff an engine (3-FF crew) from a third or fourth station
- Remodel or replace stations 2, 3 and 4

Next Steps

- **Near-Term**

- Review and absorb the content, findings, and recommendations of this report
- Adopt response performance goals as recommended

- **Longer-Term**

- Develop a plan to fund additional daily response staffing as identified in this report
- Study and develop a plan and costs to remodel or replace two fire stations that currently cannot house 24/7 staffing and upgrade Station 3
- Monitor response times to goals and outcomes
- Monitor how much prescheduled station assignments and callback staffing the Paid-on-Call firefighter program provides in meeting the City's outcome-driven needs

Questions

PILOT BUCKTHORN PICKUP PROGRAM AND THE RESILIENT MINNETONKA INITIATIVE

COUNCIL STUDY SESSION – APRIL 24, 2023

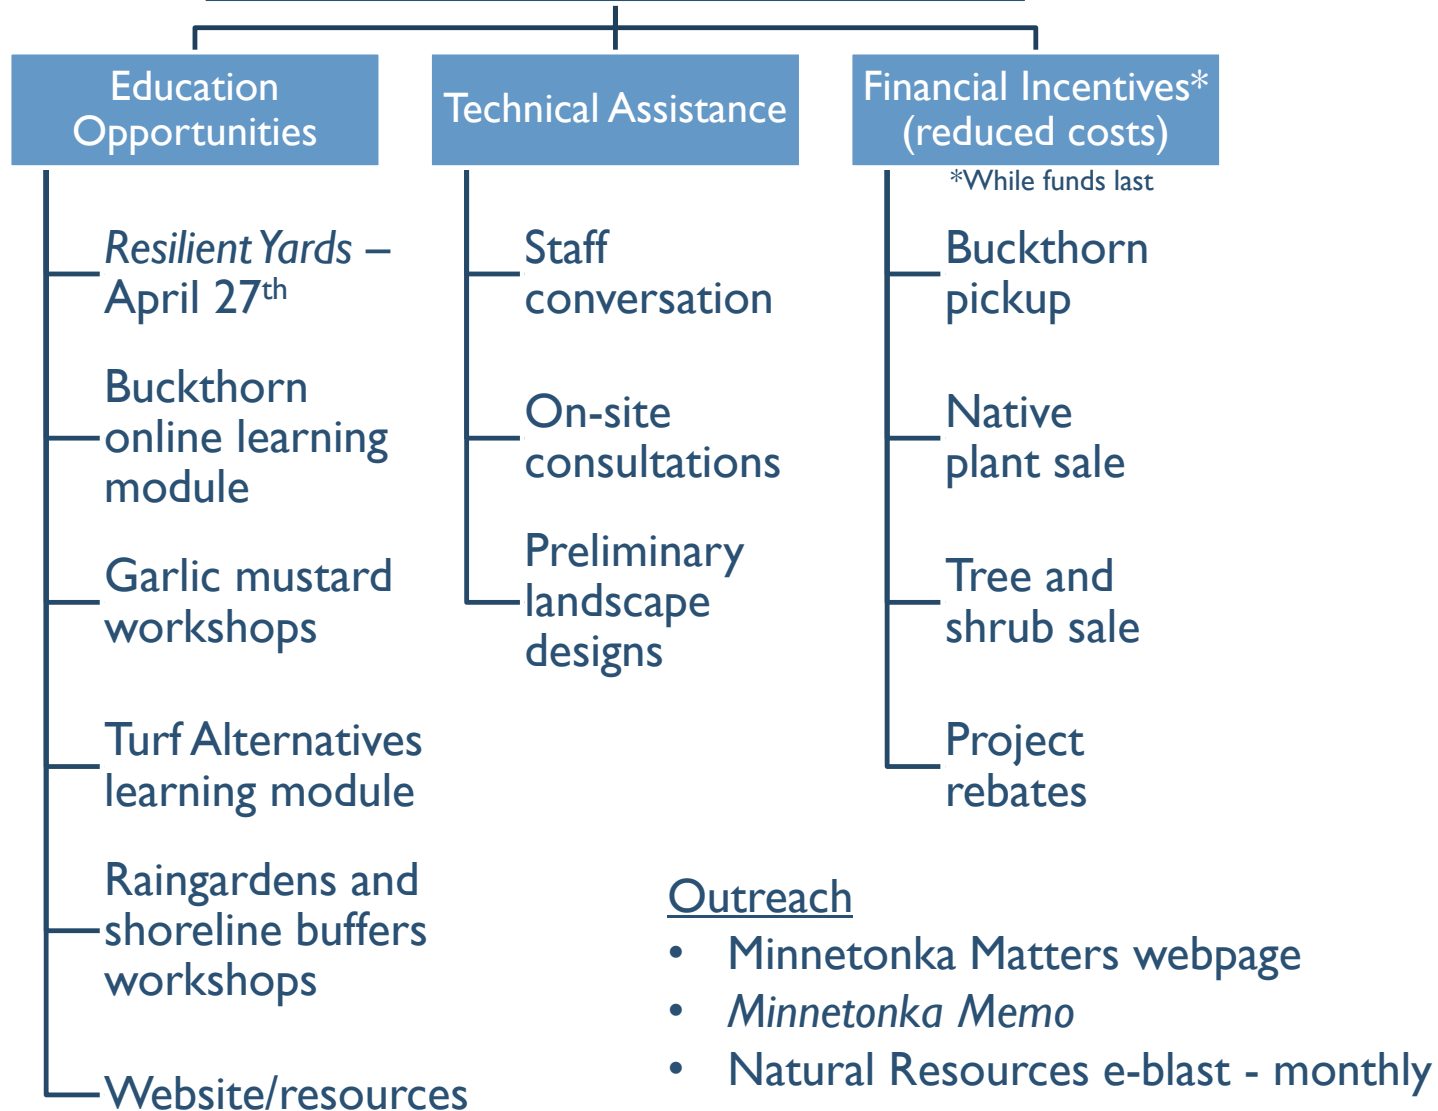

PILOT BUCKTHORN PICKUP PROGRAM DETAILS

- \$15,000 approved in 2023 budget
 - 3-4 pickup events throughout the year (SavATree contractor)
 - ~\$180 per site for pickup services
 - Site could include multiple properties working together
 - Standards apply related to location, length, amount etc.
- Application submitted to city staff for review and approval (first come, first served)
- Training workshops/online module available for buckthorn management best practices – removal methods and follow-up planning
- Year-end evaluation to inform adjustments for next year
