

Ordinance No. 2023-11

An Ordinance amending city code 300.24 regarding the floodplain district in the City of Minnetonka

The City of Minnetonka Ordains:

Section 2. Section 300.24, subdivision 2(a)(2) of the Minnetonka City Code, relating to boundaries of the floodplain district, is amended to read as follows:

2) Additional Floodplain. The Additional floodplain area consists of:

a. those areas designated within the 100-year flood elevation in the city's water resources management plan or a study conducted by a government agency or other organization and accepted by the city;

b. the 931.5-foot elevation for the area surrounding Lake Minnetonka westward from the Gray's Bay dam based on the hydrological study conducted by the Minnehaha Creek Watershed District until such time as this study is amended;

c. the flood profiles and floodplain delineations in the Riley Purgatory - Bluff Creek Watershed District's watershed management plan, adopted in 1996 as amended; and

d. the flood profiles and floodplain delineations in the Nine Mile Creek Watershed District's watershed management plan, adopted in 1996 as amended; ~~and~~

e. the flood profiles and floodplain delineations in the Bassett Creek Watershed Management Commission's watershed management plan, adopted in 2015 as amended.

Section 9. Section 300.24, subdivision 9(a) of the Minnetonka City Code is amended to read as follows:

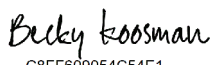

a) Activities that constitute an alteration of the floodplain district include the physical alteration of the size, depth and contour of the floodplain. No alteration of the floodplain district is allowed without a floodplain alteration permit, except that only a grading permit approved by the city planner and reviewed by the city engineer is required for permitted uses that do not involve excavation or fill of ~~an area greater than 1,000 square feet or a~~ volume greater than 5020 cubic yards of land located outside of the floodway.

Adopted by the city council of the City of Minnetonka, Minnesota, on Aug. 14, 2023.

The ~~stricken~~ language is deleted; the underlined language is inserted.
