Reporting period

If this is your first statement, the reporting period is the calendar month before the date on which you filed for office. If this is a subsequent statement, the reporting period includes all calendar months since you filed your last EIS.

Reporting sources of compensation

Based on the definitions below, list all businesses from which you received more than \$50 in compensation in any month during the reporting period.

"Business" means an association, corporation, partnership, limited liability company, limited liability partnership, or other organized legal entity. An individual acting alone in the individual's own capacity, such as in the form of a sole proprietorship, is not a business for purposes of this statement.

"Compensation" means any payment for labor or personal services as a director, officer, owner, member, partner, employer, or employee of a business. Compensation also includes payment of honoraria. Compensation does not include payments that do not result from the performance of services, such as rental income, social security payments, unemployment compensation, workers' compensation, pension benefits, or insurance benefits.

Reporting business or profession activity categories

List the following information:

- 1) The business or professional activity category of each business from which you received more than \$50 in any month as an employee if you also own 25% or more of that business; and
- 2) Any business or profession activity category in which you received compensation of more than \$2,500 in the past 12 months as an independent contractor.

The business and professional activity categories are listed on page 4. You may abbreviate a word as long as the abbreviation sufficiently identifies the category that you are reporting.

Reporting securities

"Securities" means stocks, shares, bonds, warrants, options, pledges, notes, debentures, leases, and commercial paper.

List all businesses in which you individually or jointly held securities valued at more than \$2,500 during any month in the reporting period. Use the definition of business in the compensation section above. For securities in a business, list the complete legal name of the business, not the business's stock market abbreviation. Do not list the value of the securities.

Include securities held in Individual Retirement Accounts, deferred compensation plans, 401(k) accounts, or similar plans. Do not include securities held in pension plans. Mutual fund interests held outside of a pension plan are securities and must be listed by fund name. Do not report the names of the individual stocks held by the mutual fund.

Reporting real property

Do not report your homestead. Report interests in all other real property located in Minnesota that you held individually or jointly during the reporting period if the interest was valued at more than \$2,500. You must report the following interests: a fee simple interest (you are an owner, even if you owe a mortgage), a mortgage that you hold as a seller, or a contract for deed as a buyer or seller.

Report an option to buy if the value of the option is more than \$2,500 or if the fair market value of the optioned property is more than \$50,000 even if the value of the option itself is \$2,500 or less.

For each property list the county in which the property is located. Also list the complete property address. The complete property address is the street address and city, or if the property does not have a street address, the section, township, and range where the property is located and the approximate acreage.

Waiver of reporting of second residence

Upon written request and for good cause shown, the Board may waive the requirement that an official disclose the address of real property that serves as a secondary residence of the official. Contact Board staff if you want to request this waiver.

Reporting pari-mutuel horseracing interests

Report any investment, ownership, or interest in property connected with pari-mutuel horse racing in the U.S. or Canada, including a race horse. Include any direct or indirect, partial or full interest held by you or an immediate family member.

Attach additional pages if necessary to complete any of these schedules.
