A Newsletter from the City of Minnetonka
February 2012

City special election is Tuesday, February 14

Voters will have the rare opportunity this month to cast a ballot in the middle of winter. A special election to fill the vacant Council Member, At Large Seat B is set for February 14. The seat became vacant when former Council Member Amber Greves resigned the position in December.

If you have questions about the election, read on for the answers.

What are the hours to vote, and where do I vote?

Polling places will open at 7 a.m. Tuesday, February 14, and remain open until 8 p.m. If you are in line at 8 p.m., you will be allowed to vote. All voters will vote at their regular polling location, but it is possible that a few polling places will be located in different rooms than normal. Please look for signs when you get to your location.

Lindbergh Center voters: Please note that the Hopkins boys' basketball team has a home game on February 14 at 7 p.m., so please plan accordingly for parking at that time of the evening.

Voters may only vote in person at their assigned polling place. Be sure to know your correct polling place — it will save you time. To find your specific polling place, visit the Minnesota Secretary of State's website at www.sos.state.mn.us.

Can I register to vote on Election Day?

Minnesota allows voters to register to vote at the polls on Election Day. You will need to register if you have never registered to vote, if you have changed your name or address (including just moving to another apartment in the same building) since you last voted, or if you have not voted in four years.

What identification is needed to register?

Minnesota state law requires specific forms of identification to register at the polling place. For more information about these forms, see the city's website at www.eminnetonka.com.

Who can vote absentee?

Absentee voting is available if you cannot get to the polling place on Election Day due to absence from the precinct, illness or disability, religious observance or service as an election judge in another precinct.

How do I vote absentee?

Absentee voting for the special election is available through Monday, February 13. Voters may vote in person at Minnetonka City Hall during regular business hours, 8 a.m. to 4:30 p.m., Monday through Friday. Extended absentee voting hours are available Saturday, February 11, from 9 a.m. to 3 p.m.; and Monday, February 13, until 5 p.m.

Voters may also absentee vote by mail by requesting an absentee ballot application at (952) 939-8200. Applications may also be downloaded from the election section at www.eminnetonka.com. Upon receipt of your completed application, a ballot will be mailed. Remember, the voted ballot must be received at city hall by Election Day for the vote to count.

A sample ballot is available on the city's website at www.eminnetonka.com.

Where will election results be available?

Results will be available on the city's website at www.eminnetonka.com.

Additional information

For more specific or current information about these topics, call Minnetonka City Hall at (952) 939-8200 or visit the city's website at www.eminnetonka.com.

Visit Minnetonka Kids' Fest Sunday, February 12

Hopkins-Minnetonka Recreation Services hosts Kids' Fest Sunday, February 12, from 1 to 5 p.m. at the Minnetonka Civic Center Campus, 14600 Minnetonka Boulevard, Minnetonka.

All activities are free and include dog sled rides, bingo with prizes, magic shows, face painting, ice sculpture demonstrations, s'mores by the fire, crafts, entertainment, open swimming, ice skating and indoor playground time at the Williston Treehouse, and more.

Please bring canned goods to help area families in need. Collections will be received at the Minnetonka Community Center.

For ease of parking, a free van shuttle will run every 15 minutes among the three facilities at which activities take place: the Minnetonka Community Center, the Ice Arena and Williston Fitness Center, located at 14509 Williston Drive, Minnetonka. Visitors may park at any of these facilities for the afternoon.

For more information visit www.eminnetonka.com, or call (952) 939-8203.

(see Kids' Fest Schedule on p. 3)

State of the City event is Feb. 29

You're invited to the 2012 State of the City Address by Mayor Terry Schneider Wednesday, February 29, from 7:30 – 9 a.m. at the Minnetonka Community Center, 14600 Minnetonka Boulevard, Minnetonka. A continental breakfast will be served. Please RSVP by February 15 to Karen Telega at ktelega@eminnetonka.com or (952) 939-8211.

Caring Youth Award nominations due February 3

If you know a young person in grades 7 through 12 who shows an ongoing awareness of others through volunteering or other activities, consider nominating him or her for a 2012 Caring Youth Award.

Each year the cities of Minnetonka, Hopkins and Golden Valley, the Hopkins and Minnetonka school districts and the Glen Lake Optimists host a Caring Youth Recognition event to honor the contributions of caring young people. The 2012 event is set for Thursday, March 15, at 7 p.m. at the Minnetonka Community Center, 14600 Minnetonka Blvd., Minnetonka.

Nominees must be in grades 7 through 12, and volunteer work must be unpaid and not a requirement for a class, co-curricular program or an award received through another organization. In addition, the nominee must live, attend school or volunteer in Golden Valley, Hopkins or Minnetonka.

Young people may only be nominated by the organization they are serving. For more information, including nominations guidelines and forms, visit www.eminnetonka.com or call Jacque Larson, community relations manager, at (952) 939-8207. Nominations for the 2012 Caring Youth awards are due by 4:30 p.m. Friday, February 3. ☺

Visit the Home Remodeling Fair Feb. 26

Minnetonka residents are invited to the 20th annual West Metro Home Remodeling Fair Sunday, February 26, from 10:30 a.m. to 3:30 p.m. at the Eisenhower Community Center, 1001 Highway 7, Hopkins.

Sponsored by the cities of Minnetonka, Golden Valley, Hopkins and St. Louis Park, as well as Hopkins, St. Louis Park and Minnetonka community education, the Home Remodeling Fair is designed to promote improvements to these communities' housing stock.

Fairgoers can visit more than 75 displays by remodeling contractors, architects, electricians, landscapers, tool rental services, roofers, siding and window contractors, and lenders. Minnetonka planning department staff and city inspectors will also be at the fair.

Architects and landscape designers will staff the "Ask the Pro" booth and provide free, no-obligation advice to visitors; fairgoers are encouraged to bring their photos or sketches.

Seminars topics include kitchen and bathroom remodeling trends, decks and porches, window replacement and retrofitting options, landscaping, "green" remodeling products and others. Do-it-yourselfers can attend seminars on kitchen design, ceramic tiling and more.

Advance registration is not required and admission is free. Food concessions will be available at the Wetlands Café.

There will be face painting for the kids, games and prizes.

WEST METRO HOME REMODELING FAIR

Celebrating 20 Years

Fairgoers may park at the newly expanded Eisenhower Community Center parking lot. For more information, visit www.eminnetonka.com or www.homeremodelingfair.com, or call (952) 939-8200. ☺

Home Remodeling Fair features \$1,000 contest

Do you have the baddest bathroom in the west metro? The cruddiest kitchen in the county? The 2012 Home Remodeling Fair (HRF) is looking for ugly rooms that need to be rescued.

To celebrate its 20th anniversary, the HRF is sponsoring "Operation Rescue Room," a contest to put \$1,000 in the hands of the homeowner whose room is voted most in need of help by visitors to this year's fair.

To enter, contestants must submit one photo of their room along with a 100-word description of the intended project. Complete rules and entry forms are available at www.HomeRemodelingFair.com/Rescue. Entry deadline is Feb 17, 2012.

Judging will take place at the Home Remodeling Fair Sunday, February 26. Contestants must be present to win.

For more information, visit www.homeremodelingfair.com. ☺

Use caution and consideration this winter

If you like to skate, fish or walk on frozen lakes, ponds or other bodies of water, remember that cold temperatures don't guarantee safe ice. Ice can shift and underwater springs can cause ice to be unstable. Know the condition of your lake or pond, use caution and be safe.

In addition to watching out for your own safety, be considerate of the environment and of your neighbors. Pick up trash, clean

up after your dog and be aware of others who are using the lake or pond.

If you snowmobile on a permitted lake, (check www.eminnetonka.com for information) please be aware of people who are snowshoeing, cross country skiing or ice skating. Travel at a safe speed and distance from people, pets and objects, and avoid damaging cattails and other wetland vegetation. ☺

Lake Rose Park gets a new look

Restoration of native habitat in Lake Rose Park made big advances in 2011 due to a \$6,000 cost-share grant from the Nine Mile Creek Watershed District. The grant helped pay to plant native tree seedlings, shrubs and wildflowers on a steep slope extending to the Lake Rose shoreline, which will slow runoff and erosion on a slope where buckthorn was removed in 2008. Here's a short history of the project.

2005 – 2010

Buckthorn removal began with a few neighborhood volunteers working a little at a time from 2005 through 2007. In March 2008, neighbors and the city organized to cut a large stand of buckthorn on the shoreline of Lake Rose and the steep west-facing slope that descends to the undeveloped shoreline. In 2009, contractors cut more buckthorn and followed up with prescribed fire and herbicide applications in the fall. Volunteers have pulled garlic mustard each spring since 2008.

2011 grant projects

In May 2011, volunteers and city staff worked three days to plant 750 bare-root native trees and shrubs, including oaks, hickories, cherries and dogwoods.

In September, volunteers spent three days planting 19 species of wildflowers and sedges on the woodland slopes. After the last planting, wildflower seeds were collected from areas of plenty and direct-seeded close to the plantings.

Besides neighborhood volunteers, several very loyal roving volunteers came to this secluded park from other areas of the city. Boy Scout Adam Hauge organized a group of Scouts to continue erosion prevention work around individual plants and to build

Volunteer Ashley Mecum worked more than 120 hours ensuring tree seedling survival.

plant protection cages for some of the young oaks and hickories. College student Ashley Mecum visited the park weekly throughout the summer to make improvements to each seedling's spot. She removed weeds, cut back vines, and placed sticks on the slope. All woodland debris was recycled on site as mulch for the new seedlings.

For a pictorial history of the project and more extensive information on all of the methods involved, visit bit.ly/LkRose or scan the QR code below.

Volunteer opportunities

Maintenance of our new plantings and removal of invasive species will continue through 2012 and beyond. If you would like to help, please call Janet Van Sloun, restoration specialist, at (952) 988-8423.

2012 city tree sale orders due March 1: Don't miss out!

Do you have a yard full of ash trees? The city's annual tree sale can help you diversify your yard and establish other trees before emerald ash borer arrives in Minnetonka.

Be sure to turn in your order form as soon as you decide on trees, since quantities are limited and based on nursery availability.

The most popular species sell out within a few days. The earlier your order is received, the better your chance of getting your top selections.

Learn more about the sale, and about the trees offered, at www.eminnetonka.com.

Garden plot rentals available March 5

If you're interested in gardening but don't have the property or the space for a garden plot, then a community garden plot might be the answer for you!

Recreation services offers garden plots for rent each year to residents of Hopkins and Minnetonka, for the sole purpose of gardening. For residents of both cities, plots are available for rent starting March 5. Non-residents may purchase plots starting March 12. Minnetonka gardeners who purchased a plot last year and already established proof of residency, may register by phone and pay with a credit card. Visa, MasterCard or Discover is accepted. When calling, you must know which plot you want and be prepared with a second or third choice. Otherwise, registration is in-person, on a first-come, first-serve basis. Proof of residency is required. These plots fill quickly!

Minnetonka

The city of Minnetonka garden site is located at Excelsior Boulevard and Purgatory Creek. Minnetonka plots are available for rent at the recreation department at Minnetonka City Hall, 14600 Minnetonka Boulevard, Minnetonka. There is a limit of two plots per household. Fees are \$25 for each 20'x20' plot. For more information, call (952) 939-8203.

Hopkins

The city of Hopkins provides a garden site area in Hopkins Valley Park in the Westbrooke/Nine Mile Creek area, where residents can rent a 20'x20' garden plot. Hopkins plots are available for rent only at Hopkins City Hall, 1010 First St. S., Hopkins. Due to the high demand for plots, there is a limit of two plots per household.

The new fee is \$20 for one plot, and \$50 for two plots. For more information, call (952) 935-8474. ☺

February activities for older adults

Do you want to participate in engaging and lively activities that provide mental and/or physical exercise, and provide social interaction? Then plan to attend one of the exciting activities offered each month for adults, all of which are advertised in a weekly email as well as a free monthly publication, the *Minnetonka Script*. Subscribe to one or both of these publications by visiting www.eminnetonka.com, or contact Nicole Gorman at ngorman@eminnetonka.com or (952) 939-8369. For general information about any of the activities listed below, call (952) 939-8393.

Pickleball at Williston (new!)

**Mondays, Wednesdays & Fridays,
7:30–10 a.m.**

**Williston Fitness Center
14509 Minnetonka Drive**

Pickleball uses a plastic ball and a wooden racket slightly larger than a ping pong paddle and is played on a court roughly half the size of a tennis court. Two pickleball courts, striped onto the basketball court area, are available at the Williston Fitness Center. This is not a league – come when you wish, with no advanced sign up. Rackets are provided for you to try the game. Try this activity for some winter exercise. Volunteers will teach you the rules and how to play the game.

Cost: Free for Williston or Silver Sneakers Members. Non-members: \$4 per session (includes use of locker room and shower).

For Minnetonka senior residents, the monthly Williston Center membership rate is \$25. With most health insurance companies giving discounts on health club memberships if you attend at least 12 times a month, the cost is reduced even more.

Winter tree pruning drop-off opens in March at Public Works

The city forester recommends November through March as the ideal time to prune oaks, as they are least susceptible to oak wilt disease during these months. This is also a great time to prune other trees, since insects and diseases are not active.

To assist residents who conduct proper winter pruning, the drop-off site at the

Minnetonka Public Works facility (11522 Minnetonka Blvd.) will be open Saturdays, March 3, 10, 17, 24 and 31, from 7 a.m. to 3 p.m.

The site will **not be open weekdays** in March. The regular brush drop-off program starts Monday, April 9.

Branches up to 12" in diameter will be accepted. Christmas trees (without plastic

bags, stands or decorations) will also be accepted. Proof of Minnetonka residency — driver's license or Minnetonka utility bill — is required to drop off brush.

Please note: trash, grass, leaves, dirt, sod, lumber, fencing, or wood scraps are **not** accepted.

No brush or trimmings will be accepted from commercial tree or lawn services. ☺

Tips to stay safe in your home this winter

As winter drags on, heating bills pile up and homeowners begin searching out alternative heat sources. In addition to the traditional

replace burning wood or man-made logs, wood burning stoves and space heaters have become increasingly popular. When not managed properly, all of these heating methods may cause an unwanted re in your home.

The Minnetonka Fire Department's public educators offer these tips to help you keep your home safe from re this winter. If you have any questions about these tips, call the Minnetonka Fire Department at (952) 939-8331.

- Burn stoves hot twice daily to prevent creosote buildup.
- Don't use excessive amounts of paper to build a large re in the replace.
- Be sure the re is out before you go to sleep.
- Never shut the ue with hot ashes in the replace.

Furnaces

- Have your furnace inspected regularly and have repairs made by a certified specialist.
- Keep trash and combustibles away from the heating unit.
- Conduct a visual inspection of the entire furnace area, including walls, ue pipes and seams, and chimney exterior.

General safety tips

- Never place hot ashes inside or near your home, including in your garbage can.
- Never use a stove top or an oven to heat your home or kitchen.
- Don't overload a circuit with a space heater.
- Don't use electrical heaters in a bathroom or any other area in which the unit may come in contact with water.
- Never try to thaw frozen pipes with a torch or other open ame — use a hair dryer instead.
- Be sure your smoke alarms and carbon monoxide alarms work properly. Install fresh batteries twice a year. ~

Kerosene heaters

- Inspect exhaust parts for carbon buildup and ensure the emergency shutoff works.
- Never use fuel-burning appliances without proper ventilation — the fumes may be deadly.
- Use only the recommended fuel, and re-fuel the device outside the home.

Wood stoves and replaces

- Be sure wood stoves and replaces are properly installed.
- Have chimneys inspected annually.
- Don't use ammable liquids to start or accelerate any re.
- Use a re-resistant screen in front of the replace.

Sign up now for community alerts

Get alerted about emergencies or important community alerts by signing up for the city of Minnetonka's Citizen Alert Notification System. This notification system enables the city of Minnetonka to provide you with critical information quickly however you choose — phone, email, text message and more.

You will receive time-sensitive messages wherever you specify, such as your home, cell, or business phone, email, text messages, hearing impaired receiving devices, and more. Multiple members of your household can sign up to be notified via their own devices as well.

You pick where, you pick how you're notified.

Please note:

If you had signed up for the city's community alert system prior to December 30, 2011, please take the time to sign up again to ensure your information is up to date. You now also have more options for notification methods, and can add multiple members of your household.

Register online at www.eminnetonka.com (click on the icon on the home page). Be sure to make note of your login information and password. You can sign in to your account at any time to make changes. If you need assistance, call Jacque Larson, community relations manager, at (952) 939-8207.

Test call set for Feb. 22

During the evening of Thursday, February 22, the city will test the Citizen Alert Notification to ensure the system would work properly in event of an emergency. All resident and business lines in the city of Minnetonka will receive a phone call. When you answer, there will be a short voicemail message indicating the call is a test. After the message, please follow the instructions to confirm receipt of the call. Please do not call back the number shown on your caller ID. If you have questions before or after the test, please call Jacque Larson, community relations manager, at (952) 939-8207. ~

About passing on the shoulder

Most drivers know that passing another vehicle by using the shoulder or turn lane is illegal, but many don't realize that it's still illegal even when the car in front of them is stopped to make a left turn into a street or driveway, and even if the shoulder is paved.

Why is this? Because passing on the shoulder or in a turn lane is dangerous — when drivers do so, other drivers can't see them or judge their intentions, and the driver who is passing doesn't always know why the front car stopped. The drivers being passed may have stopped for someone who is walking or for an object in the road. Driving on the shoulder also jeopardizes the safety of pedestrians and bicyclists who may be using the shoulder.

Next time you're driving, remember the law and help make the roadways safer for everyone. ~

2012 official newspaper selected

The Minnetonka Sun-Sailor has been selected as Minnetonka's official newspaper for 2012. It will publish the city's legal notices, ordinances and other official information, plus general news about the city. Legal notices will also be available online at www.mnsun.com. The newspaper is delivered each Thursday to Minnetonka homes, and is available for pickup at several locations, including Minnetonka City Hall.

Gray's Bay boat slip lottery set for Feb. 16

The city of Minnetonka will hold a lottery drawing February 16 for 2012 Gray's Bay Marina boat slip vacancies and for the waiting list. Only Minnetonka residents are eligible for these slips.

Slips are approximately 10-½ feet wide and can accommodate boats up to a maximum of 24 feet in total length. Cost per slip for the 2012 boating season is \$3,900.

Applications must be received at Minnetonka City Hall no later than 4 p.m. Wednesday, February 15. The lottery will take place at Minnetonka City Hall Thursday, February 16, at 2:30 p.m. Applicants do not need to be present.

To receive a lottery application form call (952) 939-8390, e-mail mweseloh@eminnetonka.com, or download information from the city website at www.eminnetonka.com.
