

AGENDA CITY OF MINNETONKA ECONOMIC DEVELOPMENT ADVISORY COMMISSION Thursday, March 22, 2018 6:00 p.m.

Council Chambers Minnetonka Community Center

- 1. Call to Order
- 2. Roll Call

Charlie Yunker Jerry Knickerbocker Megan Luke Melissa Johnston Jacob Johnson Jay Hromatka Jerry Knickerbocker Lee Jacobsohn

Welcome new commissioners Jay and Megan!

3. Approval of November 27, 2017 minutes

BUSINESS ITEMS

4. 2019-2023 Economic Improvement Program

Recommendation: Review 2018-2022 EIP and provide feedback for 2019-2023 draft EIP

5. Business Development Strategy

Recommendation: Review and provide feedback

- 6. Staff Report
- 7. Other Business

The next regularly scheduled EDAC meeting will be held on, April 19 at 6:00 p.m.

8. Adjourn

If you have questions about any of the agenda items, please contact: Alisha Gray, EDFP, Economic Development and Housing Manager (952) 939-8285 Julie Wischnack, AICP, Community Development Director, (952) 939-8282

Unapproved Minnetonka Economic Development Advisory Commission Meeting Minutes

November 27, 2017 6 p.m.

1. Call to Order

Chair Isaacson called the meeting to order at 6 p.m.

2. Roll Call

EDAC commissioners present: Michael Happe, Ken Isaacson, Lee Jacobsohn, Melissa Johnston, and Jerry Knickerbocker were present. Jacob Johnson and Charlie Yunker were absent.

Staff present: Community Development Director Julie Wischnack, Economic Development Housing Manager Alisha Gray, consultant James Lehnhoff with Ehlers and Associates, and consultant Gina Fiorini of Kennedy and Graven.

Councilmember present: Tony Wagner.

3. Approval of September 7, 2017 Minutes

Knickerbocker moved, Jacobsohn seconded a motion to recommend that the EDAC approve the minutes from the September 7, 2017 meeting as included in the agenda. Happe, Jacobsohn, Johnston, Knickerbocker, and Isaacson voted yes. Johnson and Yunker were absent. Motion passed.

4. Dominium Apartments Concept Plan and Financial Request

Gray and Lehnhoff reported.

Knickerbocker stated that he had no problem with the request. The memo explained things clearly. He asked if the tax bill being considered by congress could have an effect on the tax credits. Lehnhoff answered affirmatively. The current house bill would remove private-activity bonds for uses with these types of projects.

Ryan Lunderby, of Dominium, agreed with Lehnhoff. The house version of the bill would eliminate private-activity bonds. The senate bill draft kept private-activity bonds. It is being speculated that the senate bill may drive tax reform, but that has not yet been determined. The vote is scheduled for December 8, 2017 which would allow the tax reforms to be done before the end of the year. Advocates in the industry are contacting legislators to request the private-activity bonds be preserved. If bonds would be eliminated, then this project would not go forward.

Knickerbocker noted that the developer would still have a deficit. Due to the uniqueness of the project and the cost of the land, he thought that the city's 30-year requirement for affordable rents and income requirements may not be reasonable. He suggested reducing the affordable restrictions to 26 years to coincide with the term of the TIF district. Lehnhoff explained that would not have an impact on the TIF value. State law would limit a TIF-district term to up to 26 years.

Happe inquired about the structure of the deferred developer fee. In response to Happe's question, Lehnhoff explained that the developer would put a large percentage (approximately 80%) of the developer and contractor fees back into the project to make the gap as small as it reasonably can. The deferred developer fee is paid back to them through cash flow over the next 15 or more years depending on how long it takes to pay back the deferred amount. The reason that developers using tax credits will do that is that it would boost how much of the 4 percent tax credit equity is generated. He further explained there is a financial benefit to the project to do it that way versus reducing the fee to the net amount up front.

Happe asked if the developer fee would be \$9 million up front and \$10 million deferred, so the total would be \$19 million. Lehnhoff explained that Dominium would collect a contractor fee and a developer fee. Within the program requirements, there are limits that MHFA has set. The fees would be below the maximum allowed limits for the total amount. The total fees would equal \$13.6 million and 80 percent of that would be deferred and, essentially, put back into the project.

Lehnhoff reviewed Page 2 of the memorandum that listed the contractor total fee of \$4,578,000 and developer fee of \$9,100,000 for a total of approximately \$13.7 million. Of that, \$10.8 million would be put back into the project. In reality, the net fee is not received up front. The fee would be received over time as performance requirements would be met.

Happe confirmed with Lehnhoff that \$3.6 million or less would be received up front. The gap would total approximately \$900,000 or \$2,300,000 depending on inflation.

Happe asked if the proposal would be contingent on the SWLRT being completed. Mr. Lunderby said that the project would move forward without the SWLRT. There is enough of a demand for affordable housing that it would still move forward.

Mr. Lunderby appreciated the feedback and the commissioners' time. The proposal is a unique opportunity to bring affordable housing, which is in such great demand, to the Opus area near all of the great employers. Dominium has been around for 45 years and would own the proposal for the length of the TIF term. He appreciated the commissioners' consideration.

Chair Isaacson asked if the rents and incomes would be required to meet affordability standards for 30 years. Gray answered affirmatively.

Knickerbocker thought a better use of the land would be for business, but the market may not indicate that.

Wischnack invited commissioners to review the housing report which identifies "Class B" properties in the city which have similar rents to the rents designated as affordable. There are a lot of apartments in the city that have similar rent. There has been no new stock in this arena for a long time.

Gray provided a staff report on the EDAC subcommittee meeting.

Mr. Lunderby stated that the market right now has low interest rates and high-equity pricing for tax credits. This market may not last forever. Looking at the Opus development overall, this proposal would provide a chance to bring 475 affordable-housing units into the area. That might not be possible in the future when land prices increase even further. The project would provide housing for seniors and workers. There would probably be more market-rate development in the future that would provide a mix. Services typically follow the creation of households. Once the area starts to turn over, the demand would increase for services for the residents.

Commissioner Happe asked if a mix of affordable housing and market-rate units had been considered. Mr. Lunderby stated that there is an incredible demand for affordable housing for independent seniors and general occupancy.

Commissioner Happe asked what services would be available for seniors. Mr. Lunderby stated that the senior units would be restricted to age 55 and above. The finishes would be high end and look like a market-rate project. There would be club rooms with community kitchens, salons, theaters, craft rooms, a library, and outdoor spaces. Exam rooms would be available for routine exams by health professionals. Transportation would be provided by a shuttle to bring residents to appointments and shopping.

Wischnack reviewed the housing demand report which indicates that there is a need for 370 units of independent senior housing and an additional 320 units of independent senior housing in the next 5 years to 7 years.

Mr. Lunderby explained that the annual debt service on the Series B TIF note would be approximately \$700,000. Typically those are underwritten by the lender with a little bit of debt coverage on the TIF increment as well to provide a cushion built into the financing vehicle. If taxes or the increment would be lower than that, then Dominium would cover that amount. Dominium's properties in Hennepin County that were built in the early 2000s averaged property tax increases close to 4 percent per year.

Chair Isaacson noted that the equity investor would look closely at the underwriting because it would have \$30 million in equity in the deal if the debt would go bad. Mr. Lunderby agreed.

Gray continued her presentation.

Johnston asked what the city's tax capacity is at currently. Wischnack answered 1.3 percent of the total tax base. Other communities of similar size have a much higher number.

Jacobsohn reported that those present at the subcommittee meeting agreed that the proposal would definitely fit within the TIF policy. They agreed with the 2 percent inflation partially because it reduces the request for additional funds from the city and puts the risk with Dominium. That was an easy decision.

Chair Isaacson agreed. Subcommittee members felt the proposal met the requirements of the TIF policy. The amount is large, but when it is broken apart and put in context, it would be at the mid-point or low end of historical support for this type of project. There was general support. The memo addressed that the three members of the subcommittee felt that the proposal would meet the TIF policy and the request. It would be consistent with the city's treatment of similar projects.

Knickerbocker agreed that the request is appropriate and he supports the \$7,611,000, 26-year TIF term with 2-percent-inflation factor.

Happe would be more comfortable with a mix of affordable and market-rate units. He was not comfortable with the gap in the financing. The developer is taking all of the risk with the interest rate, but he thought it would be better to balance the proposal and reduce the fee. Chair Isaacson explained that the developer could do so, but, there is a catch-22 situation since the developer fee is on an eligible basis which translates to equity. The growth rate may be a better way to describe it than interest. He was not sure that the liability on the second mortgage is any different than the first mortgage.

Mr. Lunderby explained that the developer fees on the uses' side of the equation generate the basis which translates to equity. Of the amounts that are in the contractor fee and developer fee, approximately 30 percent to 40 percent of that is coming from federal resources that reduce the amount needed from a local or state level. Reducing the fees would have a negative impact creating a wider gap. An option, as listed in the report, is that the \$880,000 gap would be Dominium's responsibility to figure out. Dominium has made a request to the city through deferment of park dedication and other resources to fill that. Those dollars would be a last-in situation. At the very end of it, Dominium would have an opportunity to defer more fees and solve the \$880,000 gap. There is a threshold level of paid developer fee that the investor-community looks to have to know that the deal would be feasible. That is what is being balanced.

Chair Isaacson said that there are a number of things still in play. The interest rate has not yet been locked. He would not speak on gap financing. Determining what the estimate for current proceeds from equity are and what the interest rate on the mortgage would be could easily swing 50 basis points. There may not be a gap if the interest rate is right.

Lehnhoff clarified that during the meeting, "interest rate" was mistakenly spoken when the speaker intended to refer to "inflation" when referring to the TIF district.

5. Staff Report

Gray reported:

- A ribbon cutting was held at The Farm and Vine, a restaurant in the Highland Bank Building.
- The Metropolitan Council rejected the bids and advertised for new bids that are due in January. The goal is to award the bid in April of 2018. A corridor protection wall is being required by DNSF to protect the freight rail from SWLRT. A supplemental environmental review will be done.
- There is a road reconstruction project planned for next summer near Highland Bank. The MTC bus stop will be moved to line up with the crosswalk. Adding future bus stops on Ridgedale Drive was also discussed.
- Cherrywood Pointe is nearly complete.
- Mesaba Capital had a groundbreaking last week.
- Mastercraft should begin construction soon.
- Total Wine and Cheesecake Factory are open.
- The Open to Business Program received 96 views on the website. New ads will be in the *Minnetonka Memo*. In 2018, a business newsletter will be created.
- The economic gardening program through Hennepin County has two Minnetonka companies.

Beth Kodluboy, executive director of HOME Line, stated that HOME Line has been serving Minnetonka residents since 1992. HOME Line provides legal advice specific to keeping residents in a safe, decent, and affordable home. HOME Line helps prevent callers from making poor decisions that may lead to eviction. In 2016, it served 132 families in Minnetonka, prevented 7 evictions, and saved families over \$17,000 in returned damage deposits and monies owed for security deposits and repairs. Most of the callers have low incomes. In Minnetonka, 80 percent of the callers met HUD's low income standards. Financing repairs, security deposits, and breaking leases are the top three issues in Minnetonka. HOME Line estimates to help between 132 and 150 families in Minnetonka in 2017. November has been a record month. The cost would be between \$5,200 and \$5,800. The number of foreclosures has gone down to 1 or 2 a year. She was available for questions.

Happe thought the service is important.

Knickerbocker asked when Hennepin County will make its allocation of CDBG funds. He asked what would happen if other non-profits also request funding. He did not think it would be timely to act on this request.

Gray explained that Hennepin County will make its allocation of CDBG funds in March of 2018.

Wischnack explained that HOME Line is not eligible for CDBG funds. This process has always been done for HOME Line which utilizes money from the development fund.

Knickerbocker asked if the city could enter into a contract with HOME Line so that it would be treated as a contract for services rather than HOME Line having to request money each year. Wischnack said that could be considered for next year. The 2018 budget will be adopted next week.

Johnston moved, Jacobsohn seconded a motion to recommend that the city council allocate \$5,200 to HOME Line. Happe, Jacobsohn, Johnston, and Isaacson voted yes. Knickerbocker voted no. Johnson and Yunker were absent. Motion passed.

Gray continued the staff report:

- Staff is proposing that The Mariner receive \$210,000 for its project and \$67,000 go to WHALT of the funds provided by the Metropolitan Council.
- The loan programs are being moved over to the center for energy and environment for administration. Residents can apply on line or request a paper application.
- Minnetonka Heights has a buyer. The buyer is looking at keeping most of the rents at affordable levels, but rents could change to market rate. Chair Isaacson was curious if the purchase price was based on affordable or marketable rates.

6. Other Business

The next EDAC meeting is scheduled for Thursday, December 7, 2017 at 6 p.m.

7. Adjournment

Jacobsohn moved, Johnston seconded a motion to adjourn the meeting at 7:30 p.m. Happe, Jacobsohn, Johnston, Knickerbocker and Isaacson voted yes. Johnson and Yunker were absent. <u>Motion passed.</u>

EDAC Agenda Item #4 Meeting of March 22, 2018

Brief Description	2019-2023 Economic Improvement Program
Recommendation	Review and provide feedback for the 2019-2022 EIP

Background

Annually, the EDAC has reviewed the Economic Improvement Program (EIP). The EIP was originally created to consolidate programming relating to economic development, housing, transportation and development tools. The document grew out of a conversation to combine programs and strategies into one document, which allowed for a future projection of investment and potential funding sources. The document contains metrics for programming and 10 year projections for revenues to fund specific programs.

The city council will be reviewing a draft of the document at the April 23 study session, and the EDAC will review the final draft on May 23, prior to council adoption which is scheduled for June 4.

EIP Review

The existing 2018-2022 EIP is attached as a reference for discussion to help prepare commissioners to identify any changes or priorities for the 2019-2022 EIP document.

Components of the 2018-2022 EIP include:

- EIP Policy page (page 1). Defines what funding categories the different programs will fall under, and also details the funding principles.
- EIP Program Pages (pages 3-53). Each of the city's existing and potential future economic development efforts has its own program page. The program page will detail the program description, purpose, goals, budget impacts, schedule, and key measures. Additionally, it will outline the funds needed to develop or sustain the program over a period of years.
- Funding Sources and Expenditure Projections Pages (pages 54-69). A series of funding sources, expenditures and TIF district fund balance sheets are included.
- Affordable Housing Goals Page (pages 70-75). This section focuses on how the city's affordable housing goals are being met through these programs is included.

EDAC feedback will be incorporated into the first draft of the document that will be reviewed by the council on April 23. The EDAC will review again on May 23 and make a final recommendation to the council for the June 4 meeting.

Recommendation

Staff recommends the EDAC review the 2018-2022 EIP and provide feedback to include in the first draft of the 2019-2023 EIP.

The schedule for approval is as follows:

- March 22 EDAC Review the existing 2018-2022 EIP and provide feedback for the 2019-2023.
- April 23 City Council Study Session Review draft 2019-2023 EIP and provide feedback.
- May 23 EDAC Finalize full EIP document and make recommendation to the city council.
- June 4 City Council meeting Review and approve EIP.

Economic Improvement Program Policy

The Economic Improvement Program (EIP) is the city's long-term plan for housing, economic development, redevelopment, and transit programs that promote economic viability for the citizens and businesses of Minnetonka.

Funding Categories

The EIP covers a broad range of community development activities. Funding categories include:

- 1. Projects and programs which encourage diversity and broaden choices in types, sizes, and prices of the city's housing stock to meet the needs of the aging population and to attract younger residents.
- 2. Projects that support existing business retention and expansion, attract new businesses, and allow the city to remain economically competitive.
- 3. Projects which enhance resident mobility by pursuing opportunities and solutions to improve transit service.
- 4. Activities that promote the vitality of the city through development and redevelopment.

Planning Principles

- The EIP will support achievement of the city's Comprehensive Plan and longterm Strategic Goals.
- The EIP will be updated annually to reflect changes in programs, demographics, private housing stock, business needs, and the overall economic climate.
- The EIP allows flexibility, and may be amended during the year if necessary, in order to act upon unforeseen opportunities that may arise which enhance economic viability.
- Development of the EIP will be consistent with the annual operating budget. Future staffing and other budgetary impacts are projected and will be included in operating budget forecasts.

HOUSING

MINNETONKA ECONOMIC IMPROVEMENT PROGRAM

HOUSING CHAPTER SUMMARY

Projects and programs which encourage diversity and broaden choices in types, sizes, and prices of the city's housing stock to meet the needs of the aging population and to attract younger residents.

The city currently has 10 programs in place to assist in the construction, maintenance, and renewal of housing in the city. An additional two programs are in the conceptual phase and will be explored for further consideration.

• The total five-year estimated cost of the programs is \$4,478,800

Program	2018	2019	2020	2021	2022	5-Year Total
CDBG Administration	6,000	4,000	2,000	0	0	\$12,000
Small Projects	80,000	40,000	20,000	0	0	\$140,000
Fair Housing	900	600	300	0	0	\$1,800

	\$1,148,900	\$854,600	\$755,300	\$975,000	\$745,000	\$4,478,800
Conceptual Programs						
Employer Assisted Hsg						\$0
Next Generation Program						\$0

Programs in green=funding/program is expected to continue Programs in yellow=funding/program is uncertain for a number of reasons Programs in red=funding/program is ending

- Programs funded by Community Development Block Grant (CDBG) program are expected to be eliminated or restructured in the near future due to decreases and potential elimination of the CDBG program at the federal level.
- Programs funded by the Livable Communities Account will either be eliminated or need a new funding source, as that source is expected to no longer be available after 2017.

Budget Impact/Other

Minnetonka staff oversee the entire program from application, to project management to signing of the loan documents. The administrative costs associated with the program are covered under the CDBG administration.

With the declining CDBG funds, less emphasis will be placed on this program, which will decrease assistance to households.

It is expected that CDBG funds will be eliminated or restructured in the near future by the federal government. The program would be expected to end at about that time unless new funding is identified. For purposes of this report, staff assumes a phase out of the program by 2021.

Economic Improvement Program2018 thru 2022City of Minnetonka, Minnesota

City of Minnetonka, Minnesota Contact Community Development Program Туре **Housing-04** Project # Useful Life N/A Project Name Fair Housing Category Housing Key Measures Education/Information Sessions **Key Measures Priority** Yellow **Key Measures Key Measures** Description As part of the city's CDBG allocation, the city must participate in and further fair housing activities. This is accomplished by participating in the Hennepin County Consortium and Fair Housing Implementation Council. The city has been directly providing funds for fair housing since it became an entitlement community in 2005. The city is working with Hennepin County Consortium to coordinate a collarborate fair housing strategy.

Department 1-Housing

SCHEDULING AND PROJECT STATUS

This is an ongoing program. The CDBG program year runs July 1 to June 30, which is different than the city's fiscal year.

Justification

To further fair housing and remove impediments to fair housing within the city.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS:

Comprehensive Plan-Provide city services and collaborate with outside agencies and the private sector to leverage additional services that reinforce the city's values.

Strategic Plan-Initiating programs and policies that broaden housing choices to both meet the needs of our aging population and attract young residents.

KEY MEASURES (Prog	ram yea	ur is July	y 1 to Ju	ine 30)

		000	(00	200	0	0	1 000
CDBG		900	600	300	0	0	1,800

Budget Impact/Other

Typically, one percent of the city's CDBG annual allocation is contributed to the Hennepin County Consortium. There is no staff time provided for this program, with the exception of review and feedback on information provided by the consortium and the Fair Housing Implementation Council.

It is expected that CDBG funds will be eliminated or restructured in the near future by the federal government. The program would be expected to end at about that time unless new funding is identified. For purposes of this report, it is assumed that the program will phase out by 2021.

Description				

Minnesota law provides a mechanism termed Housing Improvement Area (HIA) which allows cities to help arrange and finance rehabilitation on owner-occupied residential buildings, such as condominiums or townhouses.

SCHEDULING AND PROJECT STATUS

The council adopted an HIA policy in November 2011. The first HIA was adopted in early 2012. It is expected that interest in this program will grow as condo and townhouse developments age. State legislation for HIA's sunsets on June 30, 2028.

Justification

The program is intended to serve aging multi-family housing by providing a financing structure to address major building investments. The program would also ensure, going forward, that the association is able to correct the financing of long-term capital expenditures.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Continue to collaborate with lenders or other agencies that offer programs for home rehabilitation.

Strategic Plan-Initiating programs/policies to broaden housing choices to meet the needs of our aging population and attract young residents.

KEY MEASURES

	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022

	Total	250,000	0	0	250,000	0	500,000
Funding Sources		2018	2019	2020	2021	2022	Total
Development Fund		250,000	0	0	250,000	0	500,000
Development Fund Revenue Bonds		250,000 0	0 0	0 0	250,000 0	0	500,000 0

Budget Impact/Other

The HIA program is administered by staff who work on various parts of the project ranging from program information to HIA requests. Once an HIA request is received, staff time is committed to preparing a resolution, ordinance, development agreement, and determining fees. Costs to cover staff time for the HIA application are covered through an application fee and through a per unit administrative fee for time in administering the assessment.

A risk of the HIA program is pay-back of the assessment. However, because it is assessed on the property taxes, it will be paid back even if there is foreclosure of the property.

Staff is currently working with the Cloud 9 association that is in the process of applying for an HIA of up to \$3.8 million in 2017. In a situation such as this, bonding or a city investment, rather than the development account would be utilized to finance the project.

2018 thru 2022

Description

The Minnetonka Home Enhancement program (MHEP) offers up to \$15,000 through a low-interest loan for housing maintenance, repair, green investments, and some additions.

SCHEDULING AND PROJECT STATUS

The program began June 2011. This is an ongoing program.

Justification

Minnetonka's housing stock is aging. Nearly two-thirds of the city's homes were built between 1950 and 1970, and over 75% of the housing stock is 30 years or older. Many of these homes now need repairs for windows, roofs, and heating systems. The MHEP targets households up to 120% area median income with loans for rehabilitation and other housing maintenance activities for housing valued at \$300,000 or less. A marketing plan was developed in 2013.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Promote housing maintenance programs to improve the livability of residential dwelling units in a cost effective manner. Strategic Plan-Initiate programs/policies to broaden housing choices to meet the needs of our aging population and attract young residents.

Budget Impact/Other

The city contracts with the Greater Metropolitan Housing Corporation (GMHC) to administer the Minnetonka Home Enhancement Program for a 10% administrative fee. There is staff time associated with an initial pre-application, program marketing and answering questions.

Due to the slow uptake and lowering the interest rate to 1%, it's unlikely that this program will become self-sustaining. While there were loan paybacks put back into the program, another \$100,000 was added in 2017 (split with the Welcome to Minnetonka program) to continue to make new loans. Project funding amounts may change as a sliding scale approach is used with this and the Welcome to Minnetonka program to allow flexibility to meet demands of the programs. Since there is a fund balance in the program from previous years allocations, the expenditures and sources are shown as zero above until the funds are used. Staff will be reviewing the program guidelines over the next year to determine if any changes need to be made.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-

-Support and encourage housing options that are attractive to a wide variety of age and income levels of residents.

-Facilitate connections between local businesses and programs that provide incentives and assistance for business retention and recruitment. Strategic Plan-

-Initiating programs and policies that broaden housing choices to meet both the needs of our aging population and attract young residents. -Supporting business retention and expansion and attracting new businesses to help our private sector be economically competitive.

KEY MEASURES

	Total	0	٥	٥	٥	٥	0

Budget Impact/Other

Work on Tax Exempt Financing projects is completed by the city's legal counsel and financial consultants. Application (\$3500) and administrative fees (1/8 of 1% of financing amount) cover the city's expenses, and most often, ending in positive income for the city.

Description	7		
TIF pooling is a way, under state stat the city.	ute, to use excess tax increment dollars from a district to invest in a	uffordable hous	ing projects in other areas of
SCHEDULING AND PROJECT ST	ATUS		
The dollars must be expended by 202	1. It is expected that a majority of the funds will be used in 2017-2	2021 in connec	tion to LRT related projects.
The Ridge was the first project funde Shady Oak Road.	d (2012) with \$1,025,000 in funds. Another \$500,000 is proposed	to be used in th	ne Music Barn project on
Justification]		
	the total increment generated by the district over its entire life to b		0 0

projects anywhere in the city. Depending on property values over the remaining 12 years of the district, the pooling dollars available during this time frame are estimated to be \$6.44 million. These funds are required to be spent according to an amended TIF plan, which can take place as projects are proposed. The current fund balance is estimated at \$3.6 million.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Continue working with developers to include affordable housing in their developments, where appropriate.

Strategic Plan-Initiating programs and policies that broaden housing choices to both meet the needs of our aging population and attract young residents.

Programs in green=funding/program is expected to continue Programs in yellow=funding/program is uncertain for a number of reasons Programs in red=funding/program is ending

- Several programs, such as the Grants, Common Bond fund, and Minnesota Investment Fund are inter-agency/consortium efforts that have funding sources that originate from other agencies, flow through the city, and then go to the business.
- The city's role in business development in the past was more reactive, typically responding only when requested to do so. In more recent years, the city has been slowly investing in more programs for businesses, such as the Open to Business programs.

2018 thru 2022

Department 2-Business

City	of	Minr	ietonka,	Minnesota
------	----	------	----------	-----------

City of M	innetonka, Minnesot	a	Conta	ct Community Development
Project #	Business-01		Тур	e Construction
			Useful Lif	e N/A
Project Name	Fire Sprinkler Retrofit		Categor	Business
Key Measures	Buildings Assisted	Key Measures	Priorit	y Yellow
Key Measures		Key Measures		

Description

Minnesota law (State Statute 429) gives cities the authority to specially assess the cost of installing fire sprinkler systems for existing buildings. The City Council adopted Council Policy 5.2 in 1986 setting criteria for the use of this authority.

SCHEDULING AND PROJECT STATUS

This program is ongoing, and use of this program is made by property owner petition. It was last used in 2006; however, there are a few inquiries every year.

Justification

The fire sprinkler retrofit program is intended to assist in the public safety and protection of commercial buildings.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Enhance personal and business safety.

Strategic Plan-Supporting business retention and expansion and attracting new businesses to help our private sector be economically competitive.

KEY MEASURES

	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022
Businesses Assisted	0	0	0	0	0	0	0	0	1	0	0	1

Expenditures		2018	2019	2020	2021	2022	Total
Construction/Maintena	nce	0	50,000	0	0	50,000	100,000
	Total	0	50,000	0	0	50,000	100,000
Funding Sources		2018	2019	2020	2021	2022	Total
Funding Sources Special Assessment Construction Fund		2018 0	2019 50,000	2020 0	2021 0	2022 0	Total 50,000

Budget Impact/Other

Special assessments cannot last more than 10 years. The risk with this program is for the assessment to be paid back on the intended schedule. These dollars are financed through the special assessment fund.

There is some limited staff time involved once the petition is received and for the assessment.

- 3		Useful Life	
Project Name Grants		Category	Business
Key Measures Projects Assisted	Key Measures Housing Projects Assisted	Priority	Green
Key Measures Businesses Assisted	Key Measures Housing Units Assisted		
Description			

Description

Grants are available from county and regional agencies to facilitate development, redevelopment, housing, and environmental cleanup.

SCHEDULING AND PROJECT STATUS

Grants are dependent upon the types of projects occurring. Most grants require the funds to be spent within three years of award.

Justification

Grant opportunities assist in filling gaps in the financing of complex development, redevelopment, housing, and environmental cleanup projects. Most programs require the city to serve as the grant applicant, meaning that even if the developer/others apply for the grant, that it is to be awarded to the city, which then passes on the funds to the project.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-

-Ensure the longevity of affordable housing through city programs and partnerships with other public, non-profit, and private entities.

-Facilitate connections between local businesses and programs that provide incentives/assistance for business retention and recruitment.

Strategic Plan-Actively promoting the vitality of designated village centers, which integrate uses and connect people to commercial, residential, employment, and public activities.

KEY MEASURES

*N-4												

*Note: some of the projects are counted in more than one year.

Expenditures		2018	2019	2020	2021	2022	Total
Other		300,000	200,000	200,000	200,000	200,000	1,100,000
	Total	300,000	200,000	200,000	200,000	200,000	1,100,000
Funding Sources		2018	2019	2020	2021	2022	Total
Development Fund		300,000	200,000	200,000	200,000	200,000	1,100,000
	Total	300.000	200.000	200.000	200.000	200.000	1,100,000

Budget Impact/Other

If the city is the applicant, there is staff time to prepare the grant application, administer the grant and grant-funded activities, as well as any followup audits and paperwork generally required by most programs.

For pass-through grants, the staff is the facilitator in requesting the funds. The funds indicated are potential sources depending upon requests.

Project #	Business-03	Тур	e Program	
			Useful Lif	e N/A
Project Name	Common Bond/Inc	lustrial Revenue Bond	Categor	y Business
Key Measures	Businesses Assisted	Key Measures	Priorit	y Yellow
Key Measures	Business Contacts	Key Measures		
Description				

The Common Bond fund and Industrial Revenue Bonds are sources of funding for industrial/manufacturing businesses that are expanding or relocating.

SCHEDULING AND PROJECT STATUS

There have been no previous projects, nor are any contemplated at this time. The city has previously used Industrial Revenue Bonds by giving host approval to another city to issue the bonds. The Common Bond fund, which is applied for and administered through the City of Minneapolis/Hennepin County has been explored by several Minnetonka businesses, but none have moved forward.

Justification

This program is to assist those manufacturing/industrial businesses with funding support for land acquisition, new facility construction, additions, renovations, and purchase of production equipment.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Facilitate connections between local businesses and various programs that provide incentives and financial assistance for business retention and recruitment.

Strategic Plan-Support business retention and expansion and attract new businesses to help our private sector be economically competitive.

KEY MEASURES

	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022

Funding Sources		2018	2019	2020	2021	2022	Total
Other		0	0	0	0	0	0
	Total	0	0	0	0	0	0

Budget Impact/Other

There is minimal staff work involved with either of these programs. The Common Bond fund is administered through a Hennepin County/City of Minneapolis partnership, but requires city council approval. All Industrial Revenue Bonds require city council approval.

No funds flow through the city for the Common Bond fund.

Application for the MIF program is a collaborative effort between the city and the business, with staff contributing approximately 80 hours of time per application. Staff must also assist in the distribution and repayment of funds, as well as reporting requirements.

Funding is dependent upon the state. A portion of the loan paid back by the business may be allowed to stay at the local level to facilitate business programs. All funds are reimbursement and show a net zero impact on the budget.

Description

The Minnetonka Open to Business program, in collaboration with the Metropolitan Consortium of Community Developers, provides one-on-one technical assistance customized to meet the needs of small businesses.

SCHEDULING AND PRORJECT STATUS

The program began in 2011 and is ongoing. The contract is reviewed on an annual basis.

Justification

The Open to Business program assists small business owners and potential entrepreneurs, while filling a need in business programming not available previously. Assistance is given in planning and organizing business ventures, financial management, marketing and regulatory compliance. A small loan fund is also available to access the capital to grow their business.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Provide services that support residents and businesses to maintain attractiveness as a balanced community that is economically diverse.

Strategic Plan-Support business retention and expansion and attract new businesses to help our private sector be economically competitive.

KEY MEASURES												
	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022

Key Measures

Description

Key Measures

Business outreach will take a more proactive approach in contacting businesses.

SCHEDULING AND PROJECT STATUS

Staff is coordinating through "Sales Force", which is an online tool for cities, chambers and GreaterMSP to enter business contacts.

Justification

Business outreach in the past has been reactive to business needs. This outreach is another tool in creating a more proactive approach in supporting business retention and expansion.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Promote public involvement by residents and businesses, and actively communicate city values and services.

Strategic Plan-Supporting business retention and expansion and attracting new businesses to help our private sector be economically competitive.

Description			
, 1 <u>5</u>	gislation was passed that included provisions of programs by local governments to help bu	1 5	

SCHEDULING AND PROJECT STATUS

The City Council approved a Joint Powers Agreement with the St. Paul Port Authority (SPPA) in July 2014 to implement the PACE program in Minnetonka. Staff markets the program with commercial, office and multi-family property owners.

Justification

The legislation was adopted in 2010, and has been used by approximately 10 Minnesota communities. This program may help to provide another financing tool to the city's toolbox for local businesses.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan--Facilitate connections between local businesses and various programs that provide incentives and financial assistance for business retention and recruitment.

Strategic Plan-Supporting business retention and expansion and attracting new businesses to help our private sector be economically competitive.

KEY MEASURES

	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022	
Businesses Assisted	N/A	N/A	N/A	0	0	0	0	0	0	0	0	0	

improvements. The program is repaid by businesses through a special property tax assessment.

Expenditures		2018	2019	2020	2021	2022	Total	
Other		0	0	0	0	0	0	
	Total	0	0	0	0	0	0	
Funding Sources		2018	2019	2020	2021	2022	Total	
Funding Sources Other		2018	2019	2020 0	2021 0	2022 0	Total	

Budget Impact/Other

The funds for the PACE program come from the SPPA, therefore, the financing that will flow through the city's funds, both the special assessment revenue in from participants and payments out to SPPA, would simply appear as offsetting financial statements in the city's records. Delinquency by the participant will be handled like any other property tax obligation, where the amount due runs with the property.

2018 thru 2022 **Economic Improvement Program** Department 2-Business City of Minnetonka, Minnesota Contact Community Development Type Program **Business-11** Project # **Useful Life** Project Name TwinWest Chamber of Commerce Category Business Key Measures Minnetonka Businesses **Key Measures Priority** Green **Key Measures Key Measures** Description

TwinWest is the local Chamber of Commerce.

SCHEDULING AND PROJECT STATUS

This is an ongoing program.

Justification

The city is a member of TwinWest, which allows the city to connect with area businesses. Additionally, TwinWest advocates for a number of issues which the city is involved with, such as Southwest LRT.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Maintain a partnership with the TwinWest Chamber and collaborate with other agencies to recognize existing and new businesses.

Strategic Plan-Support business retention and expansion and attracting new businesses to help our private sector be economically competitive.

KEY MEASURES

2011 2012 2013 2014 2015 2016 2017 2018 2019 2020 2021 2022 Minnetonka businesses

Expenditures		2018	2019	2020	2021	2022	Total
Program Cost		3,000	3,000	3,000	3,000	4,000	16,000
	Total	3,000	3,000	3,000	3,000	4,000	16,000
Funding Sources		2018	2019	2020	2021	2022	Total
General Fund		3,000	3,000	3,000	3,000	4,000	16,000

Budget Impact/Other

Memberships are renewed on an annual basis. There may be other fees associated with membership thoughout the year in order to attend events hosted by the Chamber. TwinWest annually sponsors the Minnetonka State of the City event, held in February.

Description				

Hennepin County offers this program to assist medium size companies with growth potential.

SCHEDULING AND PROJECT STATUS

Originally, a pilot program, the Economic Gardening program is now a partnership between Hennepin, Anoka, Ramsey, Carver and Scott counties.

Justification

Hennepin County is offering this as part of a partnership to help high-growth / high potential Stage II companies grow faster and create more jobs by providing CEO peer mentoring, stage-specific content and referral to relevant service providers. Stage II is defined as: 10-99 employees, more than \$1M in revenue and having high-growth potential. There is no cost to the companies accepted for participation in the network.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-In order to maintain and perhaps enhance its current economic vitality, the city in the future will need to consider and promote: business outreach and retention activities.

Strategic Plan-Supporting business retention and expansion and attracting new businesses to help our private sector be economically competitive.

KEY MEASURES

	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022

Budget Impact/Other

Staff time will be required to work with the business to apply for the program. The repayments collected through this program will flow through city's utility fund for the Metropolitan Council's fees and the city's fees.

TRANSIT

MINNETONKA ECONOMIC IMPROVEMENT PROGRAM

TRANSIT CHAPTER SUMMARY

Projects which enhance resident mobility by pursuing opportunities and solutions to improve transit service.

The city's role in transit in the past has been minimal as Metro Transit has been the provider of the city's and the region's transit system. In 2002, Minnetonka exercised its opt-out authority. It was determined at the time to be in the best interest of the city to have Metro Transit continue providing transit service for the community. In mid-2013, the city and Metro Transit renegotiated a contract in place providing more detail and clarity on the roles and responsibilities for both the city and Metro Transit. The city will renegotiate the contact in 2017.

In recent years the city's role in transit has expanded as a more active participant in the city's opt-out status as well as preparing for the Southwest LRT (Green Line Extension) line.

• The total five-year estimated cost of the programs is \$60,000.

Program	2018	2019	2020	2021	2022	5-Year Total

DEVELOPMENT AND REDEVELOPMENT

MINNETONKA ECONOMIC IMPROVEMENT PROGRAM

DEVELOPMENT/REDEVELOPMENT CHAPTER SUMMARY

Activities that promote the vitality of the city through development and redevelopment.

For the 2018-2022 Economic Improvement Program, there are four development/redevelopment programs underway.

• The total five-year estimated cost of the programs is \$875,000.

Program	2018	2019	2020	2021	2022	5-Year Total
Predevelopment	50,000	50,000	50,000	50,000	50,000	\$250,000
Village Center/Comp Plan	0	0	0	0	0	\$0

Strategic Marketing	50,000	50,000	50,000	50,000	50,000	\$250,000
	\$175,000	\$175,000	\$175,000	\$175,000	\$175,000	\$875,000
Conceptual Programs						
City owned properties						
Strategic Acquisition						

Programs in green=funding/program is expected to continue Programs in yellow=funding/program is uncertain for a number of reasons Programs in red=funding/program is ending

- The Village Center studies, an outcome of the 2008 Comprehensive Plan update, are on hold while the Comprehensive Plan is updated.
- Some of the pass-through grants identified in the business chapter may be geared towards development/redevelopment activities.
- Costs may increase if the city wishes to take a more proactive role in development/redevelopment.
- The LRT page reflects the commitment by the city towards the LRT project. Additional programs may be needed to help implement station area plans in the Shady Oak and Opus station areas.

Budget Impact/Other

Development projects can be time intensive for staff. The range per year is 500 to 1,000 hours depending on the request, number of meetings and type of assistance requested. The predevelopment funds will be used to hire consultants or others to complete work outside of staff's expertise.

2018 thru 2022

Department 4-Development & Redevelop

		Depurtment	i Developinent de Redevelop
City of Minnetonka, Minnesota		Contact	Community Development
Project # Dev/Redev-02		Туре	Program
		Useful Life	N/A
Project Name Village Center Studies and	l Comprehensive Plan	Category	Develop/Redevelopment
Key Measures Village Centers Studied	Key Measures	Priority	Green
Key Measures Comprehensive Plan update	Key Measures		
Description			

Description

The village center studies take a look at each of the city's thirteen designated village centers and create a guide for redevelopment. The following village centers have been completed: Minnetonka Mills, Opus, Hwy 7/101, Shady Oak, Ridgedale, and some Glen Lake. No other village centers will be completed at this time due to the Comprehensive Plan update process beginning in 2016. Additional work may be completed after the update is completed.

Justification

The village center studies provide a guide to potential investors or developers to the organization of the property, general layout of building envelopes, and a defined range of uses. There is a strong emphasis on community engagement and realistic implementation strategies. The Comprehensive Plan is the city's policy framework to guide development, redevelopment and public services and programs for 30 years.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Guide development and redevelopment to ensure community vitality.

Strategic Plan-Actively promoting the vitality of designated village centers, which integrate uses and connect people to commercial, residential, employment, and public activities.

Budget Impact/Other

While a consultant(s) is brought on to assist with the project, there is staff time spent on the village center studies to prepare contracts, review plans, facilitate ideas, prepare for public meetings and attend public meetings. This work can range from 1500-1750 hours per year.

There will be significant staff time when the Comprehensive Plan is updated, which will begin in 2017.

Description]			
Development of a marketing strategy t	o promote the city to current and	future residents and businesses.		
SCHEDULING AND PROJECT STA	TUS			

The first step--a market assessment was completed in 2014. A marketing plan will be developed in 2017 with existing funds.

Justification

Minnetonka is ideally located and in the past has been successful in attracting residents, as well as all types of businesses, including multi-national corporations without much need for promotion. As the economy changes and attracting residents and businesses becomes more competitive it will be necessary to develop a marketing strategy to better promote the city.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Provide regional leadership in promoting community facilities, programs and land uses that are diverse, inclusive, and supportive of residents and businesses.

Strategic Plan-Actively promoting the vitality of designated village centers, which integrate uses and connect people to commercial, residential, employment, and public activities.

KEY MEASURES

TBD

Expenditures		2018	2019	2020	2021	2022	Total
Program Cost		50,000	50,000	50,000	50,000	50,000	250,000
	Total	50,000	50,000	50,000	50,000	50,000	250,000
Funding Sources		2018	2019	2020	2021	2022	Total
General Fund		50,000	50,000	50,000	50,000	50,000	250,000
	Total	50,000	50,000	50,000	50,000	50.000	250,000

Budget Impact/Other

Development of a marketing strategy will likely take significant time to develop--including time from both city staff and outside assistance. Funds were budgeted previously from the HRA Levy to begin the marketing project which resulted in the city pursuing a brand strategy.

Staff anticipates the branding initiative will outline a new communication strategy that includes a strategic marketing component. Staff included \$50,000 per year to support this effort. The general fund is the proposed funding sources for the council to consider for this initiative.

Project # TIF-04			Program
Project Name Cl 1		Useful Life	N/A
Project Name Glenhaven	IF District	Category	TIF
Key Measures Affordable Uni	Key Measures	Priority	Green
Key Measures	Key Measures		

Description

The Glenhaven TIF district is a renewal and renovation district approved on January 23, 2006. Special legislation was granted to the city in 2009 to extend the duration of the district by seven years to December 31, 2029.

SCHEDULING AND PROJECT STATUS

This TIF district was approved in 2006 and will expire in 2029. The first two phases of the project included: a mixed use apartment building with retail on the first floor and a senior housing rental community. The third phase, originally planned as a condominium building, was recently changed and a 54-unit cooperative was completed in 2017.

TIF revenue bonds were issued in 2010 and have a lien on the current TIF revenues. Annually, after the bonds are paid, the excess increment will pay the city's \$500,000 interfund loan. Next, the developer's pay as you go note is paid, and once that is paid off, then the city will repay itself for costs associated with the Alano facility. Even with the third phase, it's not likely the developer's note or the city's costs with Alano will be repaid.

Justification

The Glenhaven TIF District was established to assist in the Glen Lake Redevelopment of housing and mixed use. There are 43 affordable units in the total development, affordable to those at 60% AMI or less.

PROGRAM GOALS AND RELATIONSHIP TO OTHER PLANS

Comprehensive Plan-Support and encourage housing options that are attractive to a wide variety of age and income levels of residents. Strategic Plan-

-Initiating programs and policies that broaden housing choices to both meet the needs of our aging population and attract young residents. -Actively promote the vitality of designated village centers, which integrate uses and connect people to commercial, residential, employment, and public activities.

A portion of the abatement is retained to cover administrative costs.

FUNDING SOURCES AND EXPENDITURE PROJECTIONS

MINNETONKA ECONOMIC IMPROVEMENT PROGRAM

FUND DESCRIPTIONS

Development Fund (2018 estimated beginning fund balance): \$2,772,051

The Development Fund was created with funds remaining after retiring the bonds of a single Tax Increment Finance (TIF) district in 1993. Under provisions of the TIF contract and law, the Development Fund may only be used for costs associated with Minnetonka's redevelopment and economic development activities. The city's Economic Development Authority initiates projects appropriate to these activities.

Livable Communities Fund (2018 estimated beginning fund balance): \$250,000 The Livable Communities fund was created after receiving special legislation to develop an account from the revenues of a closed Tax Increment Finance (TIF) district. The legislation specifically restricts the use of these funds for affordable housing programs. Standards for affordability are consistent with the Metropolitan Council's income, rent and sales price limits.

Community Development Block Grant (CDBG)

Since 1975, the Community Development Block Grant (CDBG) fund has accounted for revenues and expenditures made under the federal CDBG program. Minnetonka typically uses these funds for housing projects and programs (such as housing rehab, affordable housing, and supportive housing) and supportive services (such as senior chore programs, information and referral services and others).

HRA Levy: \$175,000

Minnesota Statutes 469.033, Subd. 6 authorizes housing and redevelopment authorities (HRAs) the power to levy a tax upon all property within its district to finance housing and redevelopment programs subject to the consent of the city council. In 1988 and amended in 1994 and 2010, the Minnetonka City Council established the Economic Development Authority (EDA) of the City of Minnetonka and transferred to the EDA the control, authority and operation of all projects and programs of the city's HRA. The law and council resolutions further require the EDA to file a budget in accordance with the budget procedure of the city in the same manner as required of executive departments of the city.

TIF Pooling (2018 estimated beginning fund balance): \$3,620,120

Under the Minnesota Statutes Chapter 469, at least 75 percent of tax increment in a redevelopment tax increment financing (TIF) district must be spent on eligible activities within the district, leaving up to 25 percent of the funds to be pooled and therefore eligible to be spent outside of the district, but within the project area. An exception to the pooling funds is for affordable rental housing that meet federal housing tax credit guidelines. The city may choose to increase the pooling allowance to 35 percent, which can then go to finance certain affordable housing projects.

Management Review & Analysis - Tax Increment Financing Districts City of Minnetonka, MN September, 2016 Page 35

AFFORDABLE HOUSING GOALS

MINNETONKA ECONOMIC IMPROVEMENT PROGRAM

AFFORDABLE HOUSING GOALS

Progress on the city's affordable housing goals.

In 1995, the Minnesota Legislature created the Livable Communities Act (LCA) to address the affordable and life-cycle housing needs in the Twin Cities metropolitan area. When the LCA was established, Minnetonka was one of the first communities to sign up to participate in the program. At that time, a series of affordable housing goals for the city was established for 1996 to 2010. The city has elected to continue to participate in the LCA program, establishing affordable and lifecycle housing goals for 2011 to 2020.

1995-2010 AFFORDABLE HOUSING GOALS

	Goals (1995-2010)	Results	Percent Achieved
New Affordable Ownership Units	180 Units	202	112%
New Affordable Rental Units	324 Units	213	66%
New Rental Units (All)	540 Units	697	130%

1995-2010 New Affordable Ownership Units

Project	Year Completed	Affordable Units	EIP Program Used		
Gables of West Ridge Market	1996-1997	90	Boulevard Gardens TIF		
Habitat for Humanity	1999	4	None		
Ridgebury	2000	56	Ridgebury TIF		
The Enclave	2002	1	None		
The Sanctuary	2005-2007	3	-Grants -Homes Within Reach		
Lakeside Estates	2005	1	Homes Within Reach		
Cloud 9 Sky Flats	2006	34	Homes Within Reach		
Wyldewood Condos	2006	8	None		
Minnetonka Drive	2007	1	Homes Within Reach		
Deephaven Cove	2007	2	-Grants -Homes Within Reach		
Meadowwoods	2007/2008	2	Homes Within Reach		

1995-2010 New Affordable Rental Units

Project	Year Completed	Affordable Units	EIP Program Used						
Excelsior Court Apartments	1996	24							
West Ridge Retirement	1997	45	Boulevard Gardens TIF						
Boulevard Gardens	1997	46	Boulevard Gardens TIF						
Crown Ridge Apartments	1997	46	Boulevard Gardens TIF						
Minnetonka Mills	1997	30	Minnetonka Mills TIF						
Cedar Pointe Townhouses	1997	9	Cedar Pointe						
The Oaks at Glen Lake	2008	13	Glenhaven TIF						

2011-2020 AFFORDABLE HOUSING GOALS

	Goals (2011-2020)	Results	Percent Achieved (to date)
New Affordable Units (rental & ownership)	246 to 378	122	50%
New Lifecycle Units	375 to 800	509	136%

2011-2020 New Affordable Units (rental and ownership)

Project	Year Completed	Affordable Units	EIP Program Used			
The Glenn by St. Therese	2011	30	Glenhaven TIF			
The Ridge	2013	51	TIF Pooling			
Tonka on the Creek	2016	20	Tonka on the Creek TIF			
At Home	2016	21	Rowland Housing TIF			
Cherrywood Pointe*	2017	8	N/A			

*Indicates projects that are approved, but not yet constructed therefore affordable and lifecycle units are not counted in 2011-2020 goals.

2011-2020 New Lifecycle Units

Project	Year Completed	Lifecycle Units	EIP Program Used			
The Glenn by St. Therese	2011	150	Glenhaven TIF			
The Ridge	2013	64	TIF Pooling			
Tonka on the Creek	2016	100	Tonka on the Creek TIF			
At Home	2016	106	Rowland Housing TIF			
Applewood Pointe	2017	89	Applewood Pointe TIF			
Lecesse*	2017	32	N/A			
Cherrywood Pointe*	2017	2	N/A			
Zvago*	2017	54	Glenhaven TIF			

*Indicates projects that are approved, but not yet constructed therefore affordable and lifecycle units are not counted in 2011-2020 goals.

The following is a list EIP programs and their contribution to the city's affordable housing goals.

PROGRAM	AFFORDABLE HOUSING CONTRIBUTION
Housing	
CDBG Program Administration	No direct impact
Crown Ridge Apartments	46 affordable units participate in program
Emergency Repair Program	No direct impact
Employer Assisted Housing	No direct impact
Fair Housing	No direct impact
Homes Within Reach	Preservation of affordable housing
Housing Improvement Area (HIA)	No direct impact
Minnetonka Heights Apartments	172 affordable units participate in program
Minnetonka Home Enhancement program	No direct impact
Owner-Occupied Housing Rehabilitation	No direct impact
Public Services	No direct impact
	Program could preserve affordable units
Senior Regeneration Program	v 1
Tax Exempt Financing	Program may add or preserve affordable units
TIF Pooling	51 units added through The Ridge
Welcome to Minnetonka program	No direct impact
Ducinco	
Business	
Economic Gardening	No direct impact
Fire Sprinkler Retrofit	No direct impact
Grants	May assist with components of projects that have
	affordable units
Industrial Revenue Bonds (Common Bond)	No direct impact
GreaterMSP	No direct impact
Minnesota Community Capital Fund (MCCF)	No direct impact
Minnesota Investment Fund (MIF)	No direct impact
Open to Business	No direct impact
Outreach	No direct impact
PACE	No direct impact
Economic Development Infrastructure	No direct impact
TwinWest	No direct impact
-	
Transit	
Commuter Services	No direct impact
LRT	No direct impact
Transit Improvements	No direct impact
Redevelopment	
Predevelopment Projects	May assist projects that are developing affordable housing
Village Center	Help to guide areas where affordable housing may be developed
Tax Increment Financing (TIF)	
Development Agmt/TIF Admin	No direct impact
Beacon Hill TIF District	44 affordable units added in 1994 (prior to affordable housing goals). Preserved in 2010.
Boulevard Gardens TIF District	227 affordable units added in 1996/1997
Glenhaven TIF District	43 affordable units added in 2008 and 2011
Minnetonka Mills TIF District	30 affordable units added in 1997. Even though district has expired, units remain affordable
Tonka on the Creek TIF District	20 affordable units expected in 2015
	9 affordable units completed in 2017 (will not meet Met
Applewood Pointe TIF District	Council guidelines, therefore not included in goals)
At Home Apartments	21 affordable units completed in 2016
Tax Abatement	
Ridgedale	No direct impact

AFFORDABLE HOUSING GOALS

GLOSSARY

Community Development Block Grant (CDBG)	A program through HUD assisting state and local governments with a variety of community development needs
Department of Employment and Economic Development (DEED)	A state agency assisting in economic development through programs targeting business recruitment, expansion and retention; workforce development; and community development
Economic Development Advisory Commission (EDAC)	An advisory commission to the city council on matters related to economic development, housing and redevelopment
Economic Development Authority (EDA)	An authority granted to local governments by the state for the purpose of conducting economic development, housing and redevelopment activities. EDAs have the ability to levy taxes
Housing Improvement Area (HIA)	A defined area in the city in which housing improvements to commonly owned space in condominium/townhouse developments may be financing with the assistance of a city through special assessments
Housing and Redevelopment Authority (HRA)	An authority granted to local governments by the state for the purpose of conducting housing and redevelopment activities
Light Rail Transit (LRT)	A mode of public transit where trains run in a separate right of way
Livable Communities Act (LCA)	A program adopted in 1995 by the Minnesota State Legislature and administered by the Metropolitan Council for purposes of increasing affordable housing and investing in local communities
Metropolitan Council	A regional policy-making body, planning agency and provider of services to guide growth in the Twin Cities metropolitan area
Metro Transit	The transit arm of the Metropolitan Council responsible for running the metropolitan area's bus and train systems
Minnesota Investment Fund (MIF)	A business financing tool offered by DEED to help businesses locate or expand in Minnesota
Property Assessed Clean Energy (PACE)	A program that allows businesses to make clean energy investments in their businesses by financing the costs through a special assessment on the property
Tax Abatement	A temporary deferral of property taxes for purposes of stimulating economic development
Tax Increment Financing (TIF)	A financing tool where additional property taxes generated from a new development are captured and used for public purposes such as housing, removal of blight and employment opportunities
U.S. Department of Housing and Urban Development (HUD)	Established in 1965 as a cabinet-level federal agency that is responsible housing and community development activities

EDAC Agenda Item #5 Meeting of March 22, 2018

Brief Description	Business Development Strategy
Recommendation	Review the Business Development Strategy and provide feedback

Background

Minnesota Statute Section 469.090 grants local government the authority to establish an Economic Development Authority for the purpose of conducting various economic development, housing, and redevelopment programs and activities. The goals of the Economic Development Authority include the growth of new commercial and industrial development; the expansion of existing commercial/industrial businesses; and the redevelopment of underperforming or blighted areas.

The attached Business Development Strategy outlines the tools, resources and activities undertaken to support Minnetonka's business community and achieve the goals of the EDA and the EDAC. Elements of the strategy include the Business Retention and Expansion Program, Marketing and Communications, Small Business Development Resources and Financing Programs, Partnerships, and Administrative Resources. The following is a summary of those elements:

Business Retention and Expansion Program (BR&E)

• A tool used by communities to identify barriers faced by local businesses. The goal of the efforts is to develop and maintain strong relationships with local business leaders to understand the needs of the local business community.

Marketing and Communications

• Increased awareness of marketing and communications specifically addressing the business community's interests. Efforts include: business centric marketing, branded economic development resources, enhanced web and social media presence, media relations, and relationship building.

Business Financing

 Promotion of local, state, and regional financial resources to meet the changing needs of businesses.

Small Business Development Resources

• Promotion of support services for existing business owners and emerging entrepreneurs.

Partnerships

• Connecting with local agencies, non-profits, and other partners to ensure Minnetonka is participating in the regional discussions related to business retention and expansion, data tools and research, and workforce development.

Administrative Resources

 Staff is available to serve as a single point of contact by proving a reliable information source for questions related to business development in Minnetonka. In this role, staff acts as a liaison between various city departments, assists in the coordination of city approvals and researches answers to a wide range of questions. Staff also helps facilitate the creation of public/private partnerships with partner organizations such as the State of Minnesota and Hennepin County as appropriate.

Recommendation

Additional implementation details are outlined in the attached Business Development Strategy. Staff is recommending that the EDAC review the draft business Development Strategy and provide feedback.

Business Development Strategy

Overview:

Following is an outline of business development services that are currently available or could be utilized by the City of Minnetonka to enhance business development within the community. These services include a variety of tools, resources and activities that are being proposed to support Minnetonka's business community and achieve the goals of the Economic Development Advisory Committee, Economic Development Authority and City Council.

Elements of the strategy include the Business Retention and Expansion Program, Marketing and Communications, Small Business Development Resources, Financing Programs, and Partnerships. The following is a summary of those elements:

Business Retention and Expansion Program (BR&E)

A BR&E program is a tool to help identify barriers local businesses face as they work to survive and grow. A successful BR&E Program develops and maintains strong relationships with local business leaders to assess business concerns, understand the structure of the local economy, set priorities, and implement programs or projects that will help make the business community thrive.

In the short-term, a BR&E Program can demonstrate community support for local businesses though enhanced communication and can help solve immediate business concerns. Long term goals of a BR&E Program include: Building community capacity to sustain business growth and development, increasing local businesses' capacity to compete in the global economy, and establishing and implementing a strategic priorities to address businesses' needs.

Business Retention and Expansion Outreach Recommended Approach:

- 2018-2019 Connect with partnership organizations to explore outreach opportunities
 - Grow Minnesota! MN Chamber of Commerce
 - TwinWest Chamber of Commerce
 - GreaterMSP
 - Department of Employment and Economic Development

Develop and maintain a comprehensive business list

- Facilitate communication with business community
- Identify key business leaders

Harness community branding efforts to establish an economic development marketing plan to attract and retain residents and businesses

- 2018-2019 Connect with Minnetonka Businesses
 - Develop a template for an annual business newsletter to connect with the business community. Publication will highlight:
 - o Investment updates

- Available business development and financing opportunities
- o Launch of a business survey with business visit opportunities
- o Highlight single point of contact at the city for business inquiries
- 2019-2021 Analysis and Implementation
 - Partner with TwinWest, Grow MN, GreaterMSP, and DEED to conduct business outreach visits
 - Analyze business surveys for industry trends and business needs
 - Develop proactive business development strategies to meet the needs of businesses

Marketing and Communications

Economic development marketing and communications are important tools in promoting a community as a promising destination for business expansion and relocation by increasing its visibility and demonstrating its benefits. Following are the examples of tools that can be utilized in marketing and communications efforts:

- <u>Business Centric Marketing</u>: Marketing aimed at positively positioning the community in the minds of the target audience of business executives, site selection firms, bankers, and commercial brokers.
- <u>Community Branded Economic Development Resources</u>: A comprehensive package of custom designed economic development resources will be utilized in a variety of applications. Such applications include the presentation of information at special events and meetings with business and development prospects. Tailored information relevant to each use is able to be included. Ie: Housing, Business Development, and Transit.
- <u>Web Presence</u>: A portion of the website will be dedicated to information about demographics, available land and buildings, financing opportunities, maps, utilities and workforce resources. This information corresponds to that identified by site selection firms and businesses as key data considered when conducting site searches.
- <u>Media Relations</u>: Public relations staff coordinate the distribution of press releases on important development projects and business-related programs and events.
- <u>Relationship Building:</u> Staff works to maximize participation in the area chambers of commerce and industry-specific trade organizations and professional associations in order to promote Minnetonka as a strong place to do business.

Business Financing Programs

To help support business expansions and relocations or equipment purchases, a number of general financing programs are available for businesses in Minnetonka. Staff works to establish and promote a range of financial resources to meet the changing needs of businesses. A number of these resources are available on a local, regional or state basis, including the following:

• The <u>Property Assessed Clean Energy (PACE) Program</u> allows local governments to fund the up-front cost of energy improvements on commercial and residential properties. The funding is paid back over time by the property owner which provides and incentive

to invest in energy improvements that might otherwise be cost prohibitive.

- <u>Hennepin County Common Bond Fund</u> is a loan fund for growing manufacturing companies. Tax-exempt or taxable revenue bonds are issued on behalf of private borrowers to provide lower interest rates on long-term financing. Projects can include land acquisition, new facility construction, additions to existing facilities, purchase and renovation of existing structures, and production equipment purchase.
- <u>Hennepin County Economic Development Infrastructure Fund</u> is a grant available to support business recruitment and expansion through targeted investments in infrastructure upgrades and extraordinary costs associated with starting a business. Eligible uses include demolition, site clearance, relocating utilities, and replace aging or inadequate water and sanitary sewer systems,
- The <u>Minnesota Investment Fund</u> is a program through the Minnesota Department of Employment and Economic Development. The program's purpose is to provide low interest loans to create and retain high-quality jobs in industrial, manufacturing, and technology-related industries; increase the local and state tax base; and improve the economic vitality for the state. Eligible loan uses include land, buildings, infrastructure improvement, equipment, and training.
- The <u>Job Creation Fund</u> is a program through the Minnesota Department of Employment and Economic Development. The program provides financial incentives to new and expanding businesses that meet certain job creation and capital investment targets. Companies deemed eligible to participate may receive up to \$1 million for creating or retaining high-paying jobs and for constructing or renovating facilities or making other property improvements.
- The <u>Economic Gardening Program</u> provides scholarships to owners of second stage growth business for business research combined with peer learning and business forums.

Small Business Development Resources

Supporting small business development is a continual focus of Community Development Department. Staff works to guide entrepreneurs through the process of establishing or growing their business in Minnetonka and publicize the availability of resources in Minnetonka. To help direct these small business entrepreneurs to the appropriate resources, staff has established relationships with partner organizations that can provide technical assistance and micro lending options. Following is a listing of some of the organizations:

- <u>Metropolitan Consortium of Community Developers (MCCD)</u> is an association of nonprofit community development organizations that promote entrepreneurship and small business development by offering access to capital and technical assistance. MCCD also offers more focused assistance to Minnetonka through monthly office hours at City Hall and is named "Open to Business".
- <u>Small Business Development Centers</u> provide free consulting, offering assistance with strategic business plans, market research, financial planning and analysis, loan packaging and cash flow management.

- <u>Service Corp of Retired Executives</u> (SCORE) provides free one-on-one counseling and low-cost workshops in key subject areas critical to small business success.
- <u>Neighborhood Development Center</u> offers business training, financing, and ongoing support and business incubation to ensure that businesses participating in its programs succeed through the start-up and growth phases of their businesses.
- <u>University of Minnesota Office for Business and Community Development (OBCED)</u> is a social enterprise whose purpose is to leverage the assets and resources of the University to create programs and services that provide innovative solutions to real-world social-economic problems that impact urban communities.

Partnerships

- <u>GreaterMSP</u> is the regional economic development organization for the Minneapolis/St. Paul region. They partner to help provide a vision and agenda for regional economic development as well as brand and market the region. GreaterMSP offer services in business retention and expansion, data tools and research, and targeted industry assistance (manufacturing, small business, technology).
- <u>The Department of Employment and Economic Development (DEED)</u> is a state agency assisting in economic development through programs targeting business recruitment, expansion and retention; workforce development; and community development.
- <u>Twin West Chamber of Commerce</u> serves ten communities in the western and northwestern metro area, including Minnetonka. It offers relevant, timely programming as well as numerous networking opportunities for area business people. The chamber supports local workforce and high school education through its philanthropic arm, the Twin West Foundation.
- The primary focus of <u>Grow Minnesota! (Minnesota Chamber of Commerce)</u> is to retain and grow Minnesota's businesses. Grow Minnesota!'s business assistance resources include confidential one-on-one site visits with businesses to identify their specific expansion plans, workforce recruitment and development needs, exporting opportunities, and relevant business financing services.
- <u>Hennepin County</u> provides assistance to businesses and municipalities through a variety of programs designed to support businesses, promote economic development, create and retain jobs, and cultivate entrepreneurs.
- <u>Metropolitan Council</u> provides regional infrastructure, services, and amenities that serve as a foundation for economic growth to support economic development efforts. The Council provides grants to help clean up polluted sites for redevelopment, expand affordable housing opportunities and build pedestrian friendly transit-oriented developments.

Administrative Resources

• <u>Single Point of Contact:</u> Staff acts as a single point of contact by providing a reliable, responsive information source for questions related to business development in

Minnetonka. In this role, staff acts as a liaison between various city departments, assists in the coordination of city approvals and researches answers to a wide range of questions. Staff also helps facilitate the creation of public/private partnerships with partner organizations such as the State of Minnesota and Hennepin County as appropriate.

- <u>Site Location Services</u>: Staff receives requests for information on site options on a regular basis. Requests can be as simple as the availability of a certain square footage of office space to lengthy, complex requests for large corporate users. Staff also provides a key service of promoting available office, retail and industrial locations in Minnetonka that may not be listed with a broker as well as redevelopment opportunities.
- <u>Development Policies</u>: A number of policies have been established to help guide the use of available resources within the community. These policies indicate development focuses such as targeted industries and redevelopment areas.
- <u>Property Monitoring:</u> Staff monitors the existing building market.
- <u>Workforce Development:</u> Staff will participate in workforce development discussions and will continue to stay informed of workforce development opportunities available to Minnetonka businesses.
- <u>Business List:</u> Staff will develop a comprehensive business list and map of businesses within the community that includes basic information such as employment sector or specialty, to assist with visualizing the business climate and sectors within the city.

Draft Updated 03/01/2018

EDAC Agenda Item #6 Meeting of March 22, 2018

Brief Description Staff Report

Transit Updates

Green Line Extension (Southwest LRT)

- The latest edition of the Southwest Project Office's newsletter <u>Extending Tracks</u> is now available. This edition covers the following topics:
 - Investment along the light rail transit estimated at \$8.4 billion
 - Development highlights along individual LRT corridors
- In March, U.S. District Court Judge John Tunheim ruled in favor of the Council in the lawsuit filed by the Lakes and Parks alliance challenging the project. For media coverage please see this link: <u>http://www.startribune.com/judge-rules-in-favor-of-met-council-southwestlrt/475302693/</u>
- In March, the Met Council proposed agreements with Hennepin County Regional Railroad Authority (HCRRA) and Canadian Pacific Railway (CP) to move forward with freight rail property acquisition to advance the SWLRT Project.
- The Metropolitan Council and the Federal Transit Administration issued a Supplemental Environmental Assessment/Amended Draft Section 4(f) Evaluation, more information and the document is available at <u>https://metrocouncil.org/Transportation/Projects/Light-Rail-Projects/Southwest-LRT/News-Display-Page/2018/Supplemental-Environmental-Assessment-Amended-Draf.aspx
 </u>
- SWLRT Milestones
 - o March 2018 Congressional Funding for 2018 and Freight Rail Agreements
 - May 2018 Metropolitan Council Opens Civil Construction Bids
 - August 2018 Metropolitan Council Awards Civil Construction Bids
 - September 2018 Civil Construction Begins
 - 2023 Service begins

Metro Transit

- Community Development staff continue to meet with Metro Transit on a quarterly basis. Most of the time has been devoted to new development connections and preparing for the LRT opening.
- Staff continues to meet with Metro Transit to discuss the Ridgedale Drive reconstruction and potential for additional stops along Ridgedale Drive. Staff will continue to facilitate the discussion as the project progresses.

Business Development Update

The "Open To Business Program" was advertised on city billboards August 1- October 31. During that timeframe, the website page received 96 total page views. More information on the program can be found on the city's website at <u>https://eminnetonka.com/economic-development#starting-or-expanding-a-business</u>

The 2017-2018 Economic Gardening Program kicked off the week of November 13, 2017. This year's program will run until June and has 26 companies from Hennepin, Ramsey and Scott counties participating in the CEO forums, CEO Roundtables and in 50 hours of customized research that the program provides. This year there are two Minnetonka companies participating in the program:

- Burns Engineering—Jim Burns is the CEO
- Sherburne Construction—Nate Sherburne is the CEO

Cities within four metro counties participate in the Economic Gardening Program. In recent years between 25-30 businesses participated in the program. Minnetonka continues to have high utilization of the program with 1-2 businesses participating each year.

Housing Updates

2018 West Metro Home Remodeling Fair

This year was the 26th anniversary for the West Metro Home Remodeling Fair which is sponsored by Minnetonka along with Golden Valley, St. Louis Park and Hopkins. Attendance was down slightly to 1,071 compared to 1,300 in 2017. However, several exhibitors requested to sign up for the 2019 fair following the event.

Metropolitan Council Grants

In January, the Metropolitan Council awarded the City of Minnetonka a grant under the Livable Communities Demonstration Account – Transit Oriented Development Grant (TOD) category for the Mariner project (in Opus) in the amount of \$1,876,500. The city also received funding from the Metropolitan Council Local Housing Initiatives Account (LHIA) Grant for the following projects projects:

- The Mariner \$210,000
- WHAHLT (Homes Within Reach) \$67,500

Center for Energy and Environment

The Welcome to Minnetonka and Minnetonka Home Enhancement Programs are now administered through the Center for Energy and Environment. Minnetonka residents can apply online at <u>www.mnlendingcenter.org</u> or call 612-335-5884 to receive a paper application.

CDBG Update

City of Minnetonka CDBG Administration Transfer

In 2017, the city council approved a resolution for the city of Minnetonka to enter into a Joint Cooperation Agreement with Hennepin County to participate in the Urban County CDBG program for fiscal years 2018-2020. Under the Urban County CDBG program, Hennepin County assumes responsibility for administration requirements of the cities CDBG allocations and will assume the administration of the Small Projects Program beginning on July 1, 2018.

Housing Rehabilitation Loans

The majority of Minnetonka's CDBG funding (\$122,205 based on the 2017 CDBG allocation) is allocated to single-family housing rehabilitation through the Small Projects Program (SPP). The SPP program provides small loans of \$5,000 or less for low-income residents to make deferred maintenance or emergency repairs to their home. The loan is structured as a zero-percent interest deferred loan and is forgiven if the homeowner stays in the home for ten years. If the homeowner sells the home or refinances the full amount of the loan must be repaid.

City staff met with Hennepin County representatives to discuss requirements for transition of the SPP loan program to be administered by the county. Hennepin County encouraged staff to consider a larger loan amount, at least \$15,000, to address higher costs of common repairs. The city of Minnetonka's deferred loan has been capped at \$5,000 since 2005 and the cost of improvements has increased significantly over the past thirteen years.

Loan data provided by the county and a review of past Minnetonka loan projects indicated an increase in the cost of the most common repairs. In 2016 and 2017, the average cost for

standard roof repair was between \$6,000 - \$10,000, siding repair between \$10,000 - \$15,000, and window replacement \$10,000 - \$15,000, all of which are common projects within the city of Minnetonka's existing program. The current limit of \$5,000 can discourage residents from applying for the funding because the remainder of the cost of the repair must be paid by the homeowner. In addition, some residents may choose a more temporary approach to a repair rather than a logger lasting improvements, in order to stay within the maximum loan amount provided in the current program.

Comparatively, many of the Minnetonka's peer cities operate housing rehabilitation programs with a higher maximum loan limit than Minnetonka.

- Hopkins \$25,000
- Brooklyn Park \$20,000
- St. Park \$30,000
- Edina \$30,000
- Brooklyn Center \$30,000

Increasing the loan limit will assist the city in reaching its yearly spend down requirements. Per HUD guidelines, the city is required to maintain a total CDBG fund balance below 1.5 years' worth of grant funds (including loan repayments) by May 1 of the program year. If the city does not spend the required amount, then the future allocations could be reduced.

Loan repayment is becoming a challenge in relation to the city meeting the spend-down requirement. Repayments are usually triggered by home sales made before the 10 year deferment period is complete. Each time the city receives a repayment, the program income is counted toward the city allocation for that program year. On average, the city receives \$23,980 in repayments, annually, and that amount is anticipated to grow as the loan portfolio grows and home sales increase.

Currently, in the city's portfolio, there are 222 outstanding loans. The city averages approximately 20 new loans per year. With home sales and loan repayments trending upwards since 2012, staff anticipates greater repayment amounts received per year for the foreseeable future. Therefore, increasing the risk that the city will not be able to meet the spend-down requirements year after year with a \$5,000 loan limit.

Under the new loan amount of \$15,000, the city will be able to issue approximately eight loans a year and additional loans from any program income that is received. The new approach allows the city to absorb the increase in repayments, and bring the loan portfolio to a sustainable level with projected real estate trends without risking future year allocations.

Public Services

Beginning with the 2018 program year, CDBG funding for public services will be awarded through a single combined Request for Proposals (RFP) covering all the cities in the county CDBG program.

The county received 21 eligible applications for review. All public services agencies that were historically awarded funding through Minnetonka's process in past years were notified of this change in process and have submitted requests for funding through the new consolidated process. City staff has elected to be part of the review process and final decisions on funding recommendations will be made on March 23, 2017.

• 2017 Community Development Annual Report

Originated by:

Alisha Gray, EDFP, Economic Development and Housing Manager Julie Wischnack, AICP, Community Development Director

Community Development Department

2017 Activity Report

2017 COMMUNITY DEVELOPMENT REPORT

The Community Development department is comprised of 31 full and part time employees who staff four divisions: housing and economic development, planning, environmental health and inspections.

The following report summarizes activities for the following Community Development services during 2017 including:

- Permits and Inspections
- Housing, Redevelopment, and Economic Development
- Environmental Health
- Planning
- Licensing

2017 Wrap-Up

It was another busy year in Minnetonka as development activity remained steady. The divisions collaborated on many complex redevelopment projects including:

- CrestRidge Senior Living
- Mesaba/Havenwood
- Shady Oak Crossing
- The Mariner
- Dominium Apartments

Village Center Spotlight

Redevelopment in the Ridgedale Village Center continued in 2017.

- The Cheesecake Factory became the fourth new restaurant to occupy space at the shopping mall in the last two years.
- Construction began on restaurant and commercial buildings northwest of Macy's and at the Cartway Lane and Plymouth Road intersection.
- Concept plans were been submitted for new, highdestiny residential buildings in the village center.
- Planning for the Ridgedale Drive parkway and more outdoor public spaces is underway.

Key 2017 Highlights

- Building Permit Valuation was \$230,048,189 million and 7,244 total permits were issued.
- Over 2705 permits applied for through the ePermits website site. Of these, over 300 included plans that were reviewed through the city's new electronic plan review system.
- The Environmental Health Division licensed 696 facilities, conducted 866 health inspections, and responded to over 607 nuisance complaints
- Planning staff processed over 130 development applications and participated in 21 neighborhood meetings.
- Economic Development staff processed over 22 housing loan applications.
- Community Development staff participated in 69 council and boards and commission meetings
- Staff has participated in nine Comprehensive Steering Committee meetings.

Permits and Inspections

Community Development Department

During 2017, there were 1,790 building permits issued for construction valued at \$189,435,608. The number of building permits issued is less than the 2016 amount of 1,853 permits. The 2017 value of construction represents an increase of 30% percent from 2016, primarily due the valuation of the Rize at Opus and Crestridge Senior Housing apartments.

Construction Value				
	2016	2017		
New Single-Family	\$23,266,152	\$18,943,997		
New Townhomes/Multi-family	\$13,920,619	\$74,899,965		
Residential Addition/Remodel	\$18,392,142	\$18,965,994		
Residential Maintenance/Repair/Replace	\$10,699,681	\$9,491,867		
Res. Garages, Sheds, Pools & Solar	\$13,632	\$67,810		
New Commercial/Industrial/Institution	\$25,485,223	\$6,204,474		
Commercial Addition/Remodel	\$51,287,913	\$52,511,795		
Commercial Tenant Finish	\$881,116	\$1,872,882		
Commercial Maintenance/Repair/Replace	\$2,070,626	\$6,476,824		
TOTAL	\$146,017,104	\$189,435,608		

Commercial/Institutional Construction

Commercial/Institutional construction activity increased from 2016. There were several new projects as well as large additions and remodels.

Project/Type	Location	Value
Hennepin County Library (Remodel)	12601 Ridgedale Dr	\$8,092,173
Cheesecake Factory (Remodel)	Ridgedale Mall	\$4,300,000
Baker Rd Mini Storage (Addition)	6150 Baker Rd	\$4,000,000
River Valley Church (Addition)	10801 Red Cir Dr	\$3,460,000
Mtka Corporate Center (Remodel)	12701 Whitewater Dr	\$2,100,000
Ridgedale Restaurant Pads (New)	12415 Wayzata Blvd	\$1,950,000
TCF/Ridgedale Corner Shoppes (New)	1805 Plymouth Rd	\$1,915,277
United Health Group (Remodel)	9900 Bren Rd E	\$1,605,000
Ridgedale Mall (Solar Roofing)	12401 Wayzata Blvd	\$1,586,000
Elmbrook (Remodel)	5400 Smetana Dr	\$1,500,000
Abbott/St Jude(Remodel)	14900 Mtka Industrial Rd	\$957,000
Midwest Mastercraft (New)	17717 Hwy 7	\$898,560

New Single-Family Home Construction

A total of 40 permits were issued for new single family homes, for a total value of \$18,943,997. While the average value of a new home decreased in 2017 to \$473,600, the average square footage increased. In 2017, there were 13 permits issued for homes valued at \$500,000 or more which is four less than in 2016. One permit was issued for a home over \$1 million in 2017.

NEW SINGLE-FAMILY HOME CONSTRUCTION					
	Year	Average Value*	Permits	Average Sq. Footage	
Average New Single Family Home Construction Value	2017	\$473,600	40	4,832	
	2016	\$553,956	42	4,277	
	2015	\$447,958	40	4,284	
	2014	\$492,899	53	4,620	
	2013	\$413,218	60	3,912	
*does not include lot cost					

Multi-Family Residential New Construction

There has been increasing interest in larger multi-family residential projects over the past few years, as is noted in the planning section of this report. New multi-family residential projects started in 2017 included Rize at Opus, Crestridge Senior Living, and Havenwood of Minnetonka.

Residential Additions, Remodels, and Maintenance/Repair

The total number of permits and value of residential additions, remodeling, and maintenance projects were lower in 2017 as compared to 2016. However, the average value of the work increased.

Residential Additions, Remodels, Maintenance					
Year	Permits	Average Value			
2017	1,448	\$28,457,861	\$19,653		
2016	1,576	\$29,091,823	\$18,459		
2015	2116	\$37,188,124	\$17,575		
2014	1,429	\$24,749,970	\$17,320		
2013	1,433	\$25,194,898	\$17,582		

E-Permits

In April 2003, Minnetonka began its initial ePermits system where contractors and residents are able to apply for some permits on-line, and in 2009 and again in 2013 new types of permits were added allowing customers more choices in how they access this city service. The number of ePermits processed has more than doubled since 2013. There are currently 63 different permit types available through the e-permit system.

Year	ePermits	ePermit Valuation
2017	2,708	\$51,551,730
2016	2,176	\$10,778,419
2015	2,154	\$12,081,498
2014	1,763	\$7,646,334
2013	1,061	\$4,326,132

Comparison to Other Cities

Minnetonka's construction value was comparable to other cities with similar population to Minnetonka. The following are the amounts for building permits and construction values for 2016 and 2017:

		2016		2017	
City	Building Permits	Construction Value*	Building Permits	Construction Value*	value from 2016
Apple Valley	1,883	\$92.2	1,902	\$202.5	120%
Burnsville	1,404	\$41.6	1,476	\$56.7	36%
Eagan	2,426	\$152.5	3,145	\$428.8	181%
Eden Prairie	2,218	\$94.4	2,213	\$182.1	93%
Maple Grove	2,707	\$122.8	4,143	\$174.2	42%
Minnetonka	1,853	\$146.0	1,790	\$189.2	23%
Plymouth	3,268	\$223.4	2,984	\$272.9	22%
-					*in million

Other Permits Issued

The total number of permits issued in Minnetonka for plumbing, electrical, HVAC increased from 2016. Fire permits declined in 2017.

Permit Type	2013	2014	2015	2016	2017
Plumbing/SW	1,730	1,877	1,867	1,767	1837
Electrical	1,775	1,985	2,030	1886	1918
Mechanical	1,367	1,511	1,551	1613	1699
TOTAL	5,073	5,540	5,702	5,520	5664

Inspections

The Permits and Inspections Division of the Community Development Department is responsible for inspections of building, electrical, plumbing and mechanical projects for all buildings in the city. The number of inspections have remained consistent with past years. The department continually striving to improve our permitting and inspection process.

Inspection Type	2013	2014	2015	2016	2017
Building inspections	3,947	4,312	5,137	4,857	4,132
Electrical inspections	2,886	3,227	3,296	3,503	3,279
Mechanical inspections	1,807	2,463	2,359	3,063	3,052
Plumbing inspections	2,171	2,370	2,504	2,454	2,623
TOTAL	10,811	12,372	13,296	13,877	13,086

Inspection Services for Other Communities

In 1998, the city began inspection and plan review services for the cities of Deephaven, Woodland, and Greenwood through a contract between the communities. These inspection services—including building, electrical, plumbing, and mechanical inspections, continued in 2017. The following table shows the number of hours spent by the Minnetonka Inspections staff performing inspections in other cities over the past five years:

	2013	2014	2015	2016	2017
Inspection Hours for Deephaven, Woodland, and Greenwood	1,231	1,353	1,623	1,511	1,442

Plan Review

One component of the permits and inspections division that is often overlooked is plan review associated with permit applications. Plan review is conducted by Minnetonka inspectors on most building permit applications (exceptions include re-siding and re-roofing) and also plumbing permit applications where there are commercial additions, remodels, or new construction.

Below is a historical look at residential and commercial plan review.

	2013	2014	2015	2016	2017	
Residential Building Plans reviewed*	605	620	764	710	724	
Commercial Building Plans reviewed*	215	201	264	281	293	
*Does not include plan reviews completed for other communities.						

E- Plan review

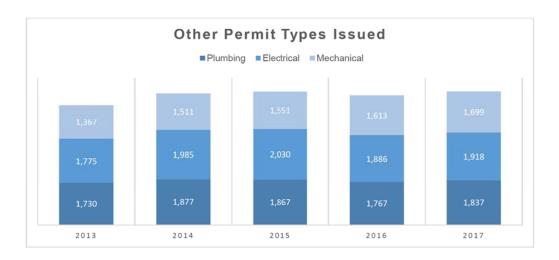

In an effort to improve efficiency, the City implemented an electronic plan submission and review process in late September 2017. Between implementation and the end of the calendar year, plans associated with 324 permits were uploaded for staff review. The new system has garnered positive feedback from city staff, contractors, and homeowners.

Housing, Redevelopment, and Economic Development

Community Development Department

Housing

The Owner-Occupied Housing Rehabilitation Deferred Loan Program and the Small Projects Program (previously called the Emergency Rehabilitation Deferred Loan Program), both paid through federal Community Development Block Grant (CDBG) funds, continued in 2017. The Small Projects Program was opened up for pre-applications in the July 2017. A total of 27 pre-applications were received and most of the approved projects have been processed. A comparative summary of the programs is as follows:

	Small Projects			
	2016	2017		
Maximum deferred loan allowed	\$5,000	\$5,000		
Average deferred loan amount	\$4,812	\$4,898		
Total applicants	74	34		
Qualifying applicants	50	22		
Projects completed	31	8		
Projects still in progress	12	14		
Total Expenditures	\$144,665	\$74,186		

In June 2011, two new housing programs, funded through the HRA levy were launched—the Minnetonka Home Enhancement program and the Welcome to Minnetonka program. The **Minnetonka Home Enhancement** program offers low interest loans for housing maintenance, green investments, and some additions/modernizations. **The Welcome to Minnetonka** program is a low interest loan for first time homebuyers to use for down payment and/or closing cost assistance. In December 2017, the Center for Energy and Environment took over the administration of the program after Greater Metropolitan Housing Corporation was permanently closed its lending center.

	2016	2017
Minnetonka Home Enhancement applications	6	12
Minnetonka Home Enhancement loans	4	1
Welcome to Minnetonka applications	9	3
Welcome to Minnetonka loans	5	1

Since 2002, **Homes Within Reach** has acquired properties in order to permanently preserve affordable housing. Through 2017, they have acquired 56 properties in Minnetonka and 139 properties throughout Hennepin County. The chart below illustrates the number of properties acquired for the past five years in Minnetonka:

	2013	2014	2015	2016	2017
Homes Within Reach properties acquired	2	2	2	2	2

In addition, **Homes Within Reach** rehabilitated the property located at 5248 Kimberly Road. The home was initially acquired in 2008 and received a minimal amount of rehabilitation (\$12,000). In 2017, the property received new windows, siding, kitchen flooring, and cabinets and was resold to a new homeowner.

5248 Kimberly Rd – Before and After

LRT Transit

The Southwest Light Rail Transit project achieved several critical milestones necessary to move the project forward. Highlights from 2017 included:

- In December 2017, the Southwest Project Office hosted a Construction Contracting Open House at the Minnetonka Community Center. The focus of the event was to inform contractors and subcontractors about the projects, contracts, and construction timeline and how to participate in the bidding process. There were over 200 attendees at the event.
- The city council finalized the **Subordinate Funding Agreements** (SFA's) for the \$2 million local contribution and locally funded projects which included fencing upgrades, extending storm sewer casings, and paint color upgrades for retaining walls.
- The cities of Minnetonka and finalized the **joint vision for the Shady Oak LRT station area** (the area roughly bound by Excelsior Boulevard on the north, Shady Oak Road on the west, the regional trail on the south, and 11th Avenue on the east). The strategy builds upon previous planning work and will formulate an articulated area for vision, zoning, and implementation strategy that will be reviewed and implemented by both cities.

Bus Transit

Metro Transit and Community Development staff continued to meet on a quarterly basis. In 2017, the city entered into a new 3-year contract with Metro Transit.

There were several route changes aimed at providing better service to Minnetonka residents. Some of the route changes included:

- Route 9 added direct service between the West End and Ridgedale Mall and added more weekday trips between Greenbrier and West End.
- Route 675 was renumbered to Route 645 and expanded to provide direct service between Ridgedale, the West End and downtown Minneapolis.

Business Development

- Two Minnetonka businesses participated in the new Sewer Access Charge and Residential Equivalency Charge Deferral Program that was launched in 2017.
- The Ridgedale Mall welcomed several new business in 2017, highlights include: Escape Room, Cheesecake Factory, Field Day and Boxed Lunch. In addition, the mall underwent improvements such as the addition of solar panels and the construction of new retail development pads in the mall parking lot.
- The Open to Business program continued in 2017 providing 190 hours of free technical assistance to 22 small businesses in Minnetonka. In addition, MCCD assisted one Minnetonka manufacturing business with a \$100,000 loan to assist with cash flow and increased financial stability.

Economic Development Advisory Commission Support

The Economic Development Advisory Commission, which advises the EDA/City Council on matters related to housing, economic development, redevelopment, and transit, receives staff support by the Community Development Department. Projects reviewed by the EDAC in 2017 included:

- The 2018 HRA Levy will be \$250,000 with \$75,000 toward housing program loans, \$75,000 to assist . with the 10-year payback to the LRT Special Assessment Fund, and \$100,000 to support the Homes Within Reach acquisition and rehabilitation program.
- 2018-2021 Economic Improvement Program (EIP). The city's EIP • plans housing, redevelopment, and economic development programs for the next five years.
- The Cloud 9 Housing Improvement Area project. .
- The Transit Cooperative Agreement with Metro Transit.
- The EDAC Recommended the Sewer Access Charge and Residential Equivalency Charge Program which allows business owners to defer a portion of the fees over a 10-year term. In 2017, two businesses participated in the program.
- Recommended participation in the Urban Hennepin County CDBG • Program.
- The EDAC Participated in a joint study session with the planning commission in August. The commissioners toured the newly completed Zvago cooperative. Applewood Pointe cooperative. Station Pizza, and Unmapped Brewery.
- The EDAC reviewed and made recommendations on several multi-family housing development projects including:
 - Shady Oak Crossing 4312 Shady Oak Road
 - The Mariner 10400,10500 and 10550 Bren Road East
 - Dominium 11001 Bren Road East

Environmental Health

Licensed Facilities

The following table shows the health licenses issued for the various license categories during each of the past 5 years, the number of licenses continue to grow as new businesses, restaurants and events are established in the community. In particular, special event licenses have doubled.

License Category	2013	2014	2015	2016	2017
 Food facilities Includes licensing classes A - G, day care centers, institutions and food vehicles 	409	405	415	425	434
Special event food vendors	44	45	49	53	111
Public pools	80	80	80	81	77
Lodging facilities	29	31	30	31	35
 Other health licenses Includes massage operations, bowling alleys, food vending, refuse haulers, theaters, pet shops, and body art 	41	36	36	41	39
TOTAL	603	597	610	631	696

Health Inspections

The following table shows regular health inspections and follow-up investigations. Health inspections target critical issues such as food temperatures, food storage, chemical control and worker hygiene. Inspections related to facility construction or remodeling, and complaints are not included. Reinspections in 2017 were identical to last year and higher than in 2014, 2015 and 2016.

Inspections	2013	2014	2015	2016	2017
Routine food inspections	454	427	448	466	500
Re-inspections	62	138	120	169	159

The Environmental Health complaints history for health-related items is shown below:

Complaints	2013	2014	2015	2016	2017
Food-related	39	36	49	26	21
Suspected food borne illness	16	12	7	32	30
Pools and beaches	0	0	0	1	2
Clean Indoor Air Act	0	0	0	0	0
Totals	55	48	56	59	53

Also in 2017, health code enforcement actions taken during the year included 17 city-court citations for health code violations, which was a decrease from 37 citations in 2016 and the 23 citations issued in 2015.

City of Wayzata Environmental Health Services

Since 2007, the Environmental Health division has conducted services for the City of Wayzata. This work requires the annual inspection of 143 facilities, including food, beverage, swimming pools and lodging. The table below illustrates the breakdown of food inspections completed in Wayzata—the increase in facility numbers in the past two years is mainly attributable to the Wayzata Bay Redevelopment and many special events:

Inspections	2013	2014	2015	2016	2017
Routine food inspections	96	134	124	136	143
Re-inspections	49	43	42	45	54

Nuisance Abatements

The Environmental Health Division continues to be the clearing house for nuisance complaints. In 2017, Community Development and others responded to 607 nuisance complaints. Many nuisance situations have required major commitment of staff time, and sometimes city council action, to obtain compliance. These situations range from incomplete construction or hazardous conditions, to "garbage" houses and property neglect issues.

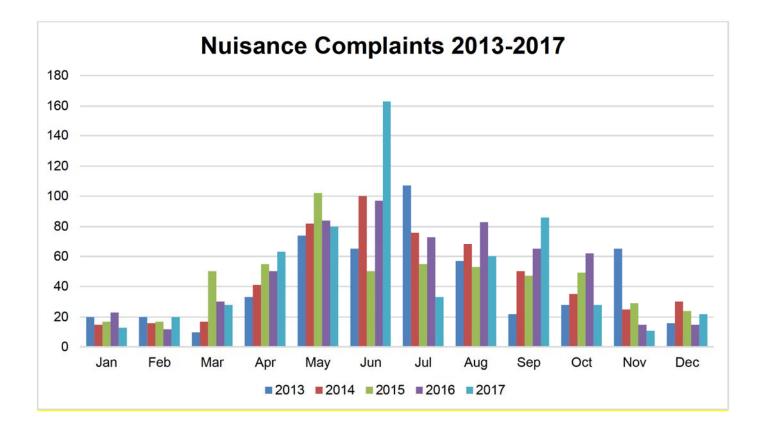

Nuisance Complaints						
2013	2014	2015	2016	2017		
517	555	545	609	607		

Citations Issued for Nuisances						
2013	2014	2015	2016	2017		
1	4	7	13	3		

In 2009, the city ordinance was changed to require council action on abatements over \$5000. In 2015, 2016 and 2017, no nuisance properties required an abatement resolution to be adopted by the city council to achieve compliance, compared to one in 2014, zero in 2013, and one in 2012.

Nuisance Abatements Completed					
2013	2014	2015	2016	2017	
44	105	85	123	22	

The city's response to complaints about nuisance conditions is carefully coordinated between the Community Development, Fire, Police, Public Works, and Legal departments. The Environmental Health Division has responsibility for responding to nuisance complaints, complaint tracking, and coordination procedures by utilizing the city's complaint software, which publically is known as "Minnetonka Mike".

Planning

The Planning Division received 135 applications during 2017. This number is similar to that received in 2016 and slightly higher than the five-year average.

Types of Applications	2013	2014	2015	2016	2017	5-Year average

Totals	135	131	116	133	135	130

Aside from formal meetings associated with these 135 formal planning applications, staff participated in neighborhood meetings for several development concepts including:

- **Dominium.** Redevelopment of 9.4-acre property at 11001 Bren Road East. The concept plan contemplates construction of three apartment buildings containing a total of 463 units.
- **iFly.** Construction of an indoor skydiving venue on the Ridgedale Shopping Center property.
- **Ridgedale Executive Apartments.** Redevelopment of 4.4-acre property at 12501 Ridgedale Drive. The concept plan contemplates construction of a six-story, 112-unit luxury apartment building.
- **Newport Midwest.** Redevelopment of 3.2-acre property at 10550 Bren Road East. The concept plan contemplates construction of two apartment buildings containing a total of 240 units.
- Shady Oak Crossing. Redevelopment of 1.6-acre, city-owned property at 4312 Shady Oak Road. The plan contemplated a three-story, 54-unit apartment building.

2017 Planning Project Highlights

Crest Ridge Senior Living

In January, the city approved construction of Crest Ridge Senior Living at 10955 Wayzata Boulevard. The approved four-story senior apartment building will contain 147 units, including some assisted and memory care units. Ebenezer will operate the building. Grading and utility construction began in December 2017.

Mesaba/Havenwood

The city approved a second senior apartment building in August. Havenwood is a three-story, 100-unit apartment building to be constructed at 17710 Old Excelsior Boulevard. Walker Methodist will operate the building. Grading and utility construction began in December 2017.

Minnetonka Hills

In August 2017, the city approved a 78-unit, five-story apartment building at 2800/2828 Jordan Avenue. The new, market-rate building will be fourth on the Minnetonka Hills Apartments site. No permits have been applied for to date.

Shady Oak Crossing

In September – after months of planning and many public meetings – the city approved Shady Oak Crossing. As approved, a threestory, 49-unit apartment building will be constructed on the city-owned property at 4312 Shady Oak Road.

Cheesecake Factory

The city approved the fourth new restaurant at Ridgedale Shopping Center in April 2017. The Cheesecake Factory opened in November.

Midwest MasterCraft

In August 2017, the city approved the redevelopment of the existing office property at 17717 Highway 7. As approved the existing building will be removed and new boat showroom/retail building would be constructed. Grading and building permits were issued in December.

Previously approved projects that are complete

Station Pizza

Unmapped Brewing Company

Licensing

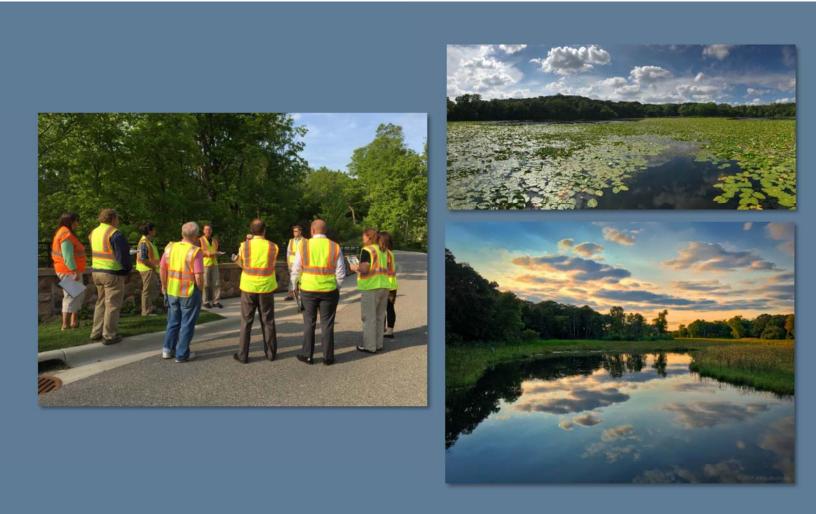

Each year contractors who complete certain requirements are issued a license allowing them to complete work in the city. The following table shows the number of licenses issued for the various license categories during each of the past five years. In 2015, the city implemented the renewal option for a 1, 2 or 3 year license.

License Category	2013	2014	2015	2016	2017
HVAC/Warm Air	198	200	205	120	122
Refrigeration	118	119	117	71	69
Steam/Hot Water	106	98	103	58	56
Gas	227	242	245	146	150
Total Individual Licenses	649	659	670	395	397

In addition to contractor licensing and licenses issued by the Environmental Health division, the city is also responsible for licensing several other types of facilities and businesses.

License Category	2013	2014	2015	2016	2017
Dumpsters/Portable Storage Containers	3	3	3	3	3
Pawn/Precious Metal/Secondhand	7	5	5	6	6

Off-Sale 3.2 Percent Malt Liquor	2	2	2	2	2
Temporary Liquor	5	7	2	4	14
Total Licenses	146	183	186	197	208

Other Department-Wide Information

Staffing and Support Services

Community Development relies extensively on support staff to process licenses, permits, and planning applications; schedule inspections; and respond to resident/contractor calls.

The Community Development staff is also responsible for writing reports, compiling information and producing agenda packets for the Planning Commission, Economic Development Advisory Commission and the 2040 Comprehensive Guide Plan Steering Committee as well as the City Council and Economic Development Authority.

Community Development staff served on several committees that guide the region on matters that impact development, public health, planning, and general community development. Staff are currently serving on the following boards and committees:

- Urban Land Institute Community Development Council
- Sensible Land Use Coalition
- Metro Cities Housing and Economic Development Committee
- SWLRT Technical Implementation Committee
- Food Code Advisory Committee
- Environmental Heath Continuous Improvement Board
- MDH Lodging Workgroup
- Food, Pools, and Lodging program evaluation Workgroup
- MEHA (MN Environmental Health Association) Legislative Committee
- MRWAC (MN Recreational Water Advisory Committee)
- 2018 Environmental Heath Super Bowl Planning Committee
- University of Wisconsin-Stout Environmental Science Program Advisory Committee
- West Metro Home Remodeling Fair Committee
- MBPTA (MN Building Permit Technician Association) and their Education Committee
- Mechanical Continuing Education Instructor for the State of Iowa
- Minnesota State Fire Department Association (Honorary Life Member)
- 10,000 Lakes chapter of ICC Building Officials
- Association of Minnesota Building Officials (AMBO) Board Of Directors
- AMBO Egress Committee

In addition, several employees were recognized for their exception work this year:

- Susan Thomas, assistant city planner, was selected as the Spirit of Minnetonka winner! She was also
 nominated for the "Above and Beyond" award.
- Drew Ingvalson was nominated for the "Above and Beyond" award
- Kevin McDermott was nominated for the "Leadership" award
- Michael Green and Ashley Cauley were nominated for the "Teamwork" award

Minnetonka Mills located at 13209 East McGinty Road was designated as a "Great Place" in the Twin Cities by the Sensible Land Use Coalition. The park was chosen due to its historical significance unique natural amenities and regional proximity.
