

Opus Area Road and Bridge Improvements

Informational Meeting

***Tuesday
May 12, 2015
3:00 p.m.***

Location: Minneapolis Marriot Southwest – Salons A-C
5801 Opus Parkway
Minnetonka, MN 55343

May 1, 2015

You are invited...

The engineering department invites you to an informational meeting for the above project. We encourage you to take advantage of this opportunity to provide input on this project, and to keep current on future project activities by visiting our web site.

What's being proposed?

The Opus area streets shown on the reverse side of this notice are included in the city's proposed 2016 – 2019 street improvement program. The proposed improvements include replacing bridges in 2016-17, adding trails in 2018, and significant road rehabilitation in 2019. In addition to the city's work, the Southwest LRT project will likely begin construction in 2016.

What happens at the meeting?

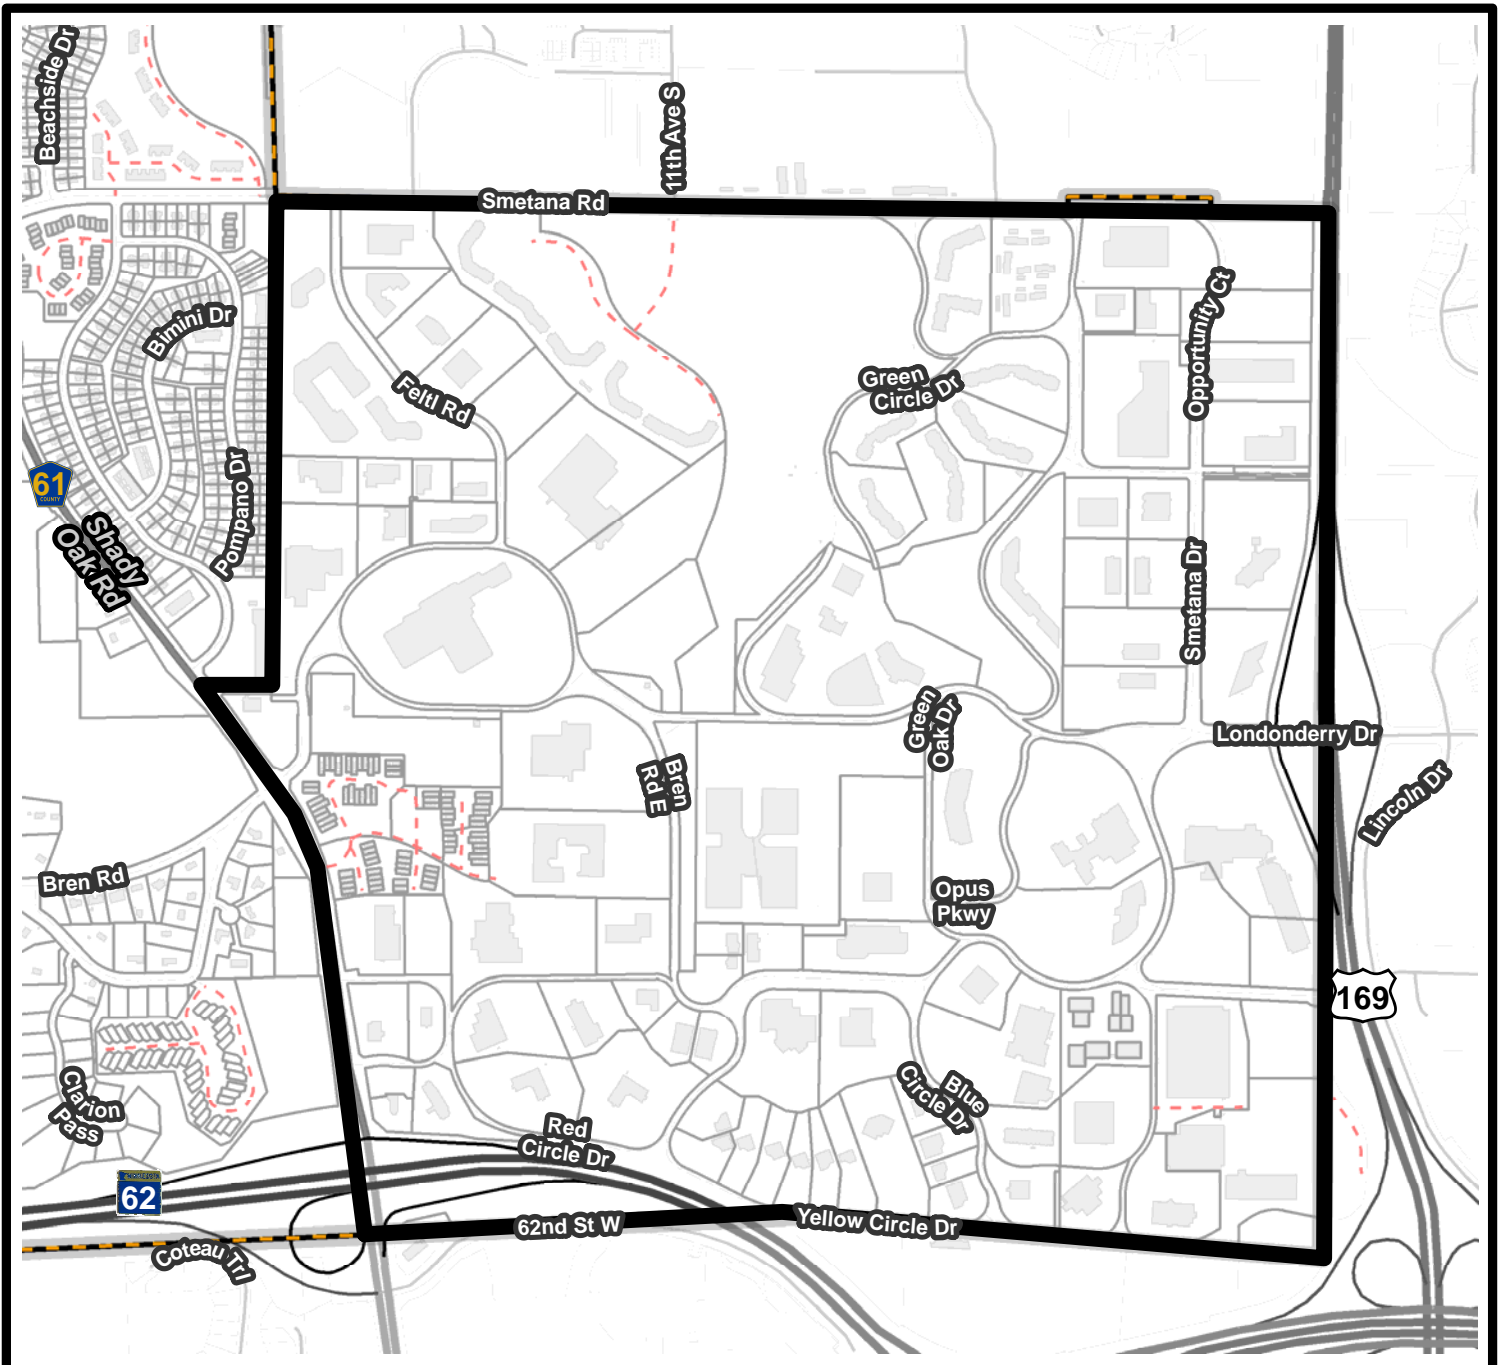

The meeting will consist of a brief discussion of the proposed improvements. Drawings showing existing conditions of the area and conceptual improvements will be available for review. Other items that will be covered include project schedule, project details, and property impacts. The city would also like to discuss issues or concerns that you would like to see included as a part of these projects.

How can I stay informed?

If you have any questions regarding this project, please contact Lee Gustafson at 952.939.8239 or at lgustafson@eminnetonka.com. For upcoming meeting dates, council approvals, or other project information, please visit our web site at eminnetonka.com under "News & Events/Current Projects."
