Engineering Department**
14600 Minnetonka Blvd.
Minnetonka, MN 55345
952-939-8206
engineering@minnetonkamn.gov

YOU'RE INVITED

You're invited to an informational meeting about a proposed multi-use trail on the north side of Minnetonka Boulevard between The Marsh and Fairchild Avenue. Please join us to learn more about the proposed project, ask questions and provide input.

Minnetonka Boulevard Trail Project Informational Meeting
Tuesday, Dec. 17, 2019, 5:30-7 p.m.
Community Room, Minnetonka Community Center
14600 Minnetonka Blvd.

WHAT IS BEING PROPOSED?

We're proposing to construct an eight-foot-wide, multi-use asphalt trail for pedestrians and bicyclists and bury power and cable lines. Project goals are improved safety, mobility and connectivity along Minnetonka Boulevard. Construction is proposed to occur in 2022.

WHAT WILL HAPPEN AT THE MEETING?

City staff will share details about the project, facilitate a brief discussion, answer questions and take input and feedback. Concept drawings of proposed improvements will be available for review.

POTENTIAL PROJECT IMPACTS

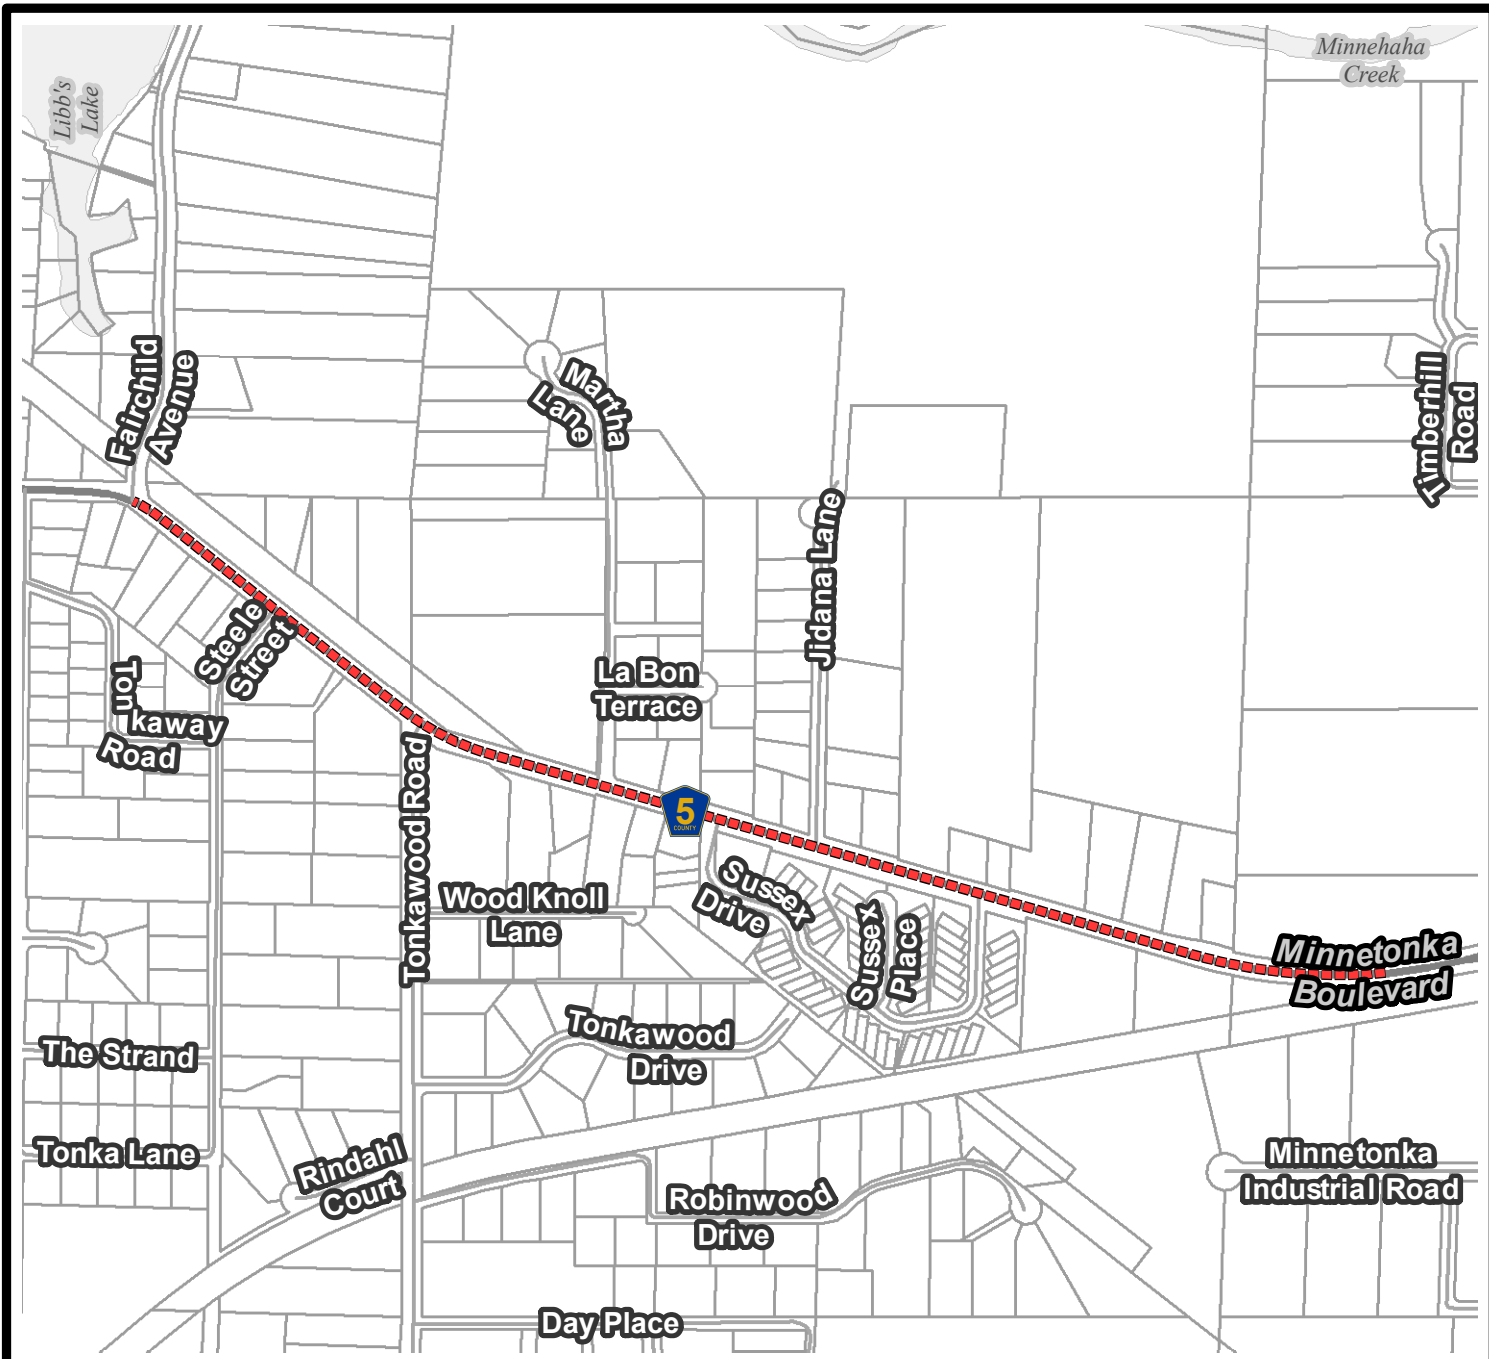

Projects of this nature can be disruptive. Potential project impacts may include: tree removal, driveway reconstruction, retaining wall construction and limited access to homes at select times. We will attempt to minimize these impacts as plans are finalized.

IF THIS PROJECT IS APPROVED, WILL I BE ASSESSED?

No. If the project is approved, it will be primarily be funded through the Trail System Expansion Fund. The city will also work with Hennepin County and other agencies to pursue additional funding opportunities.

HOW TO STAY INFORMED

- Learn more and sign up for email/text project updates at minnetonkamn.gov/mtkablvdtrail.
- Contact Park and Trail Planner Carol HejlStone or City Engineer/Project Manager Phil Olson to ask questions or learn more.
