GLEN LAKE ACTIVITY CENTER

Facility Summary

- ❑ Facility constructed in 1964 as a fire station
 - ❑ Converted to an Activity Center in 1995
 - ❑ Includes MPD and HCMC ambulance offices
 - ❑ 1,299 hours of use in 2014 (3.7 hours/day)
 - ❑ 9,000 hours of requested space unable to be met in 2014
 - ❖ City-wide requests
 - ❖ An average of 24.8 hours/day
 - ❖ Expected to increase to 32.6 hours by 2020
 - ❖ Primary need is gymnasium and large meeting room space
 - ❑ Glen Lake Activity Center Feasibility Study is underway
 - Will determine:
 - ❖ What if anything could be constructed on site
 - ❖ Cost for construction
- Study to be presented to the City Council in December 2015

RECREATIONAL FACILITIES

- Outdoor ice rink and warming house
- Summer Playground program
(125 Children)
- Tennis court maintenance

CITY / SCHOOL PARTNERSHIPS

Gatewood Elementary

- Outdoor ice rink and warming house
- Possible future field upgrades

Park Board Recommendations

- ✓ Explore opportunities to work collaboratively with local school districts to improve/expand fields for regulation baseball, youth baseball and youth softball.

Potential Benefits: Expand use or add fields for baseball and softball
