Thanks for connecting us Pam.

Drew,

My husband Eric and I are new to the neighborhood in Seven Oaks Court and live next door to the backyard project in question. We were surprised to hear that there was a concern over the current structure/back yard as it stands today. I wanted to share that we do not have any issues/concerns or questions about how it appears now. From my point of view, I was really impressed with the workmanship and how beautiful the area looks.

Please let us know if you have any questions or need further information. My direct cell is [REDACTED].

Thank you,

Julie & Eric Lovestrand

Hi Julie!

Can you please share some of your sentiments with Drew at the city of Minnetonka about your comfort with our backyard project as our new neighbors?

Thanks!!
